The Adventures in Career and Financial Wellness Camp will provide a unique blend of independent and unbiased best practices. Participants will learn to integrate key career and financial knowledge, skills, and behaviors so they can begin designing a successful and secure future.

The camp is organized and administered by Rotary volunteers. Each day is broken into three 90 minute sessions that will engage students with animated videos, individual and team discovery exercises, and live video presentations from local professionals sharing personal, professional and financial best practices.
