

# ALL INTERACT PRESIDENTS FORUM

"Strengthening our connections and Rotary community through discussion and engagement "

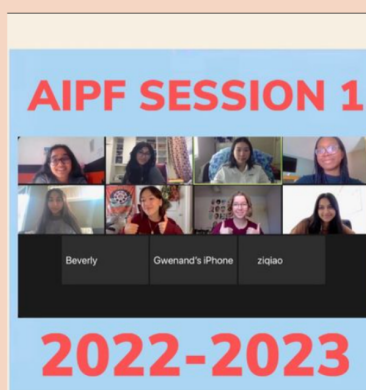

## Purpose

All Interact Presidents Forum (AIPF):

- Rewards Interact youth across our district for their **leadership** and dedication to creating change
- Interact **executive training**
- Collaboration amongst various clubs
- **Strengthens bonds** within the Rotary Interact family.
- Board members are Interact students of good standing from across the district, committed to weekly meetings
- Typically runs from September-June.
- Sub-committee under the District Interact Sub-Committee, though we function independently of them.
- DISC is there for added support and a **connection to the district**.

## Sessions

- AIPF's goal is to **collaborate, connect, learn, and share** information throughout District 5360.
- Each session has a theme that focuses on a prominent topic within Interact Clubs.
- These sessions include **speakers** from different levels of Rotary, **discussions**, panels, interactive scenarios, and games.
- **Network**, create resources for Interact clubs, and allow Interact members to learn and become **immersed within the district**.

AIPF's first session of the 2022-23 year, where speakers and Interactors from across the province shared their goals and planning strategies!

## AIPF Alumni

"I co-founded AIPF in October 2019 in order to help craft **a safe and empowering space** for Interactors to explore executive training.

What started as a one-day summit has become a semiannual event where **Interact students learn from one another** while building the skills and tools needed to expertly lead their Interact clubs.

It's been an honour to **connect with so many phenomenal young leaders** across District 5360."

- Iqmat Iyiola, AIPF Co-Founder

AIPF's first session (2019)

## AIPF Alumni

"I joined AIPF in May of 2021 when I was in Grade 10. Beforehand, I'd never participated in an AIPF session but the opportunity sounded interesting and a way to **engage with the District** beyond our lone Interact Club!

The advisors were **extremely supportive** and always willing to **offer advice** as the new team learned how to run the sessions. And I learned so many things and met so many amazing people - both executives and general members - from our sessions! My participation in AIPF also offered **various ideas for improving** my own Interact Club when I became its President, like changing our application process for new executives!

I'm both sad and excited to leave AIPF. But, I can't wait to see what heights future teams will reach!"

- **Amanda Dang, 2022-23 AIPF Chairperson, WCHS Interact President**

## Why join AIPF?

AIPF values collaboration, connection, and education across District 5360. As a member of AIPF, you will learn beneficial skills that can aid in future studies, employment, and Rotary opportunities. Planning AIPF's in-person sessions takes a lot of hard work that develops great skills including management, networking, and problem-solving.

AIPF Board members are able to develop close connections with Rotary that can set them up for further participation in the district. Many AIPF Board alumni have gone on to become District Representatives and start massive district events such as the Zone Interact Convention.

# ROLE BREAKDOWNS

## Chairperson

- Leads the team throughout the year. Takes charge and responsibility for the group.
- Vocal presence, comfortable working with different personalities and perspectives.
- Lead the Board of Directors
- Informal liaison between the Rotary District, Executive Advisory Board, and AIPF Board
- Primary spokesperson of AIPF
- Ensure members are being responsible and fulfilling their tasks.
- Work with Chairperson Elect and General Support to design the program (e.g. summit's schedule or planning workshops and breakout sessions)

## Secretary

- Keeping track of AIPF Gmail inbox and incoming messages as well as replies
- Write emails for AIPF and replies
- Coordinate club registrations (prior and day of)
- Managing the Google drive
- Record meeting minutes of AIPF
- Create event timelines for AIPF events and programs
- Technical support
- Work with General Support to make Facilitator packages

## Vice-Chairperson

- Assists the Chairperson; maintaining balance and fairness.
- Honest, trusting, and has a vocal presence.
- Develop strategic priorities and plans to achieve long-term goals
- Fulfill the duties that would normally be conducted by the Chair in the case that they are unable to be present at an event, presentation, or meeting.
- Take over leadership of the event in the following year

# ROLE BREAKDOWNS AND APPLICATIONS

## Marketing Lead

- Create graphics, advertisements, and occasional video editing for AIPF
- Maintain social media platforms and marketing tactics to generate engagement
- Manage online event pages
- Take and distribute pictures during the event
- Reach out to other Rotary committees via social media and ask them to promote the event

## Treasurer

- Research and application to grants for AIPF events and programs
- Contact Rotary clubs for sponsorships
- Creation of a monthly budget report

## General Support

- A fairly open role
- Support any other member on the board with their tasks and responsibilities.
- Learn about AIPF and the different roles on the board in preparation for taking up a more hands-on role in the future.

## HOW TO APPLY

Applications to join the 2023-24 AIPF Team are open! To apply, fill out the following Google form:

<https://forms.gle/9MGd2VbmzpjRVpGG8>

- Or scan this QR Code!

Applications must be made before MAY 28TH 11:59 PM MST. The current will review applications and email applicants accepted for interviews. Interviews will be run online via Zoom during June.
