More From Rockies To The Prairies!

LEARN ABOUT THIS EXCITING OPPORTUNITY!

The New Generation Service Exchange is a short-term, customizable exchange run through Rotary International. The program is aimed at anyone between the ages of 18 and 30. Participants do not have to be students to qualify, nor do they have to be a Rotary or Rotaract member. They must, however, be willing to participate in the Rotary Club in whichever city their exchange takes place.

WANTING TO LEARN MORE?

The purpose of this exchange is to acquire work experience by shadowing a professional in whatever sector the participant is interested. This experience is entirely customizable: the participant chooses the country, the profession, and the duration of the exchange (from a few weeks up to 6 months).

Food and accommodation are covered by Rotary. This is in part possible because participants will be billeting with a Rotarian family. Participants are responsible for a \$200 exchange fee, their flights, visa (if needed), and spending money.

This is a wonderful opportunity to travel, network, and explore careers. If you are interested or want more information, please contact Margie Booyens at margiebooyens@gmail.com.

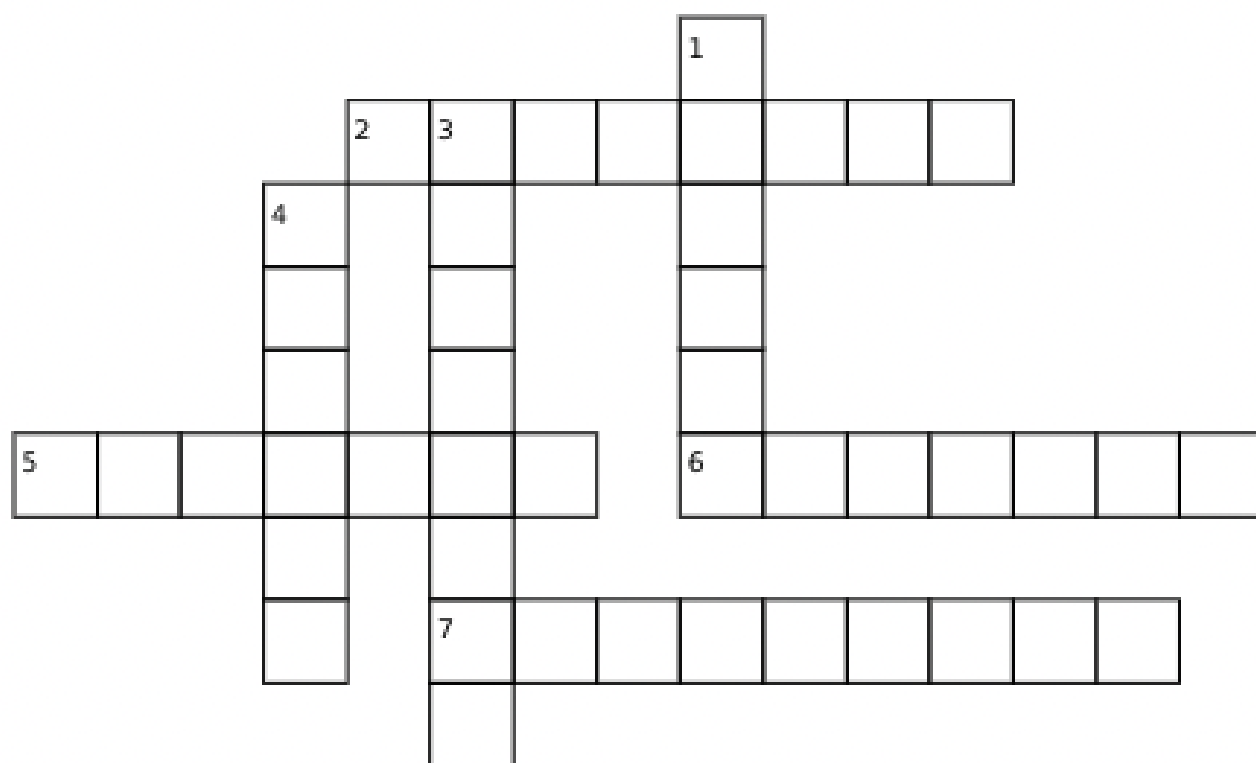

GAME OF THE MONTH!

COMPLETE THE CROSSWORD TO WIN A GRAND PRIZE!

Submit a picture of a **correct** and **completed** version of the crossword on the following page to either nathan.barreth@ucalgary.ca or mercy.trinh@uleth.ca to have your name entered into a draw for a prize courtesy of your District 5360 Committee! Please include your full name and your club.

We hope to include a game in each newsletter to create engagement and provide an opportunity for **you** to win an awesome prize at the end of the year!

Participants are limited to one entry per game of the month, i.e., enter once in November, once in January, once in March, to be entered in the end-of-the-year draw 3 times. For best chances of winning, play the game included at the end of each newsletter and enter to win!
