\$20.00 = A NEW COAT

Essential Eats Distributors supports Indigenous leaders and program on Tribal land in Montana. Since 2018 we have partnered with dozens of organizations to send 1500 bikes to Montana Indigenous children. We have distributed hundreds of thousands of pounds of high-quality food, hundreds of thousands of dollars worth of new clothing and gifts, thousands of books, school supplies for 1500 kids this fall, hundreds of new coats, a few chickens and 23 piglets.

EED is an all volunteer, virtual nonprofit with a majority Indigenous board of enrolled Tribal members founded in 2017.
