

SANDY WONG, DG 2019-20

Sandy joined the Billings Rotary Club in 1998 because she wanted to support the club's efforts in community projects and providing scholarships for high school seniors to attend college/trade schools. Her passion for finding a need and filling it has lead her to also volunteer with the Montana State University-Billings Foundation, YWCA of Billings, Ronald McDonald House, Yellowstone Aids Project, Billings Association of Realtors and Billings Home Builders Association.

In addition to Board Service, she has taught Sunday School to pre-school classes for 27 years, coordinated a Reading program in a Title 1 school for six years and is a CASA (Court Appointed Special Advocate) for children in the foster care system. She has received local and national awards for being a community volunteer/advocate; one such 'prize' for volunteering was the opportunity to volunteer on the rehabilitation of a community center for disabled adults in inner city Detroit in 2006, alongside NFL players and culminating with tickets to the Super Bowl to watch the Pittsburg Steelers vs Seattle Seahawks.

The Billings Rotary Club celebrated its Centennial Year during her presidency in 2015-2016, and her Club earned the RI Presidential Citation for that year. Sandy coordinated three 'Membership Matters' workshops across the state of Montana while serving as District Membership Chair in 2016-2018. She recruited Rotarians to serve on the District Membership Committee with her in 2017-2018, along with deepening her Rotary friendships as an Assistant Governor in Eastern Montana.

Sandy married her grade school sweetheart, Scott Wilm, in 2011. Scott is a Process Plant Operator at the Cenex Harvest States Refinery in Laurel, MT. Their blended family includes seven adult children, 18 grandchildren and four cats. Professionally, Sandy enjoys helping people build, buy or refinance their dream homes and celebrated 34 years as a mortgage banker in September. She is the Branch Manager at Cherry Creek Mortgage Company in Billings. Scott and Sandy enjoy going to Farmer's Markets, outdoor concerts and sneaking away to their second home in the mountains of Red Lodge, MT.
