# ROTARY YOUTH LEADERSHIP AWARDS

EMPOWERING YOUNG LEADERS TO FACILITATE IMPACTFUL CHANGES IN THEIR SCHOOLS AND COMMUNITIES.

## Empowering Tomorrow's Leaders: Help Fund Our Rotary Youth Leadership Awards (RYLA) Experience!

Dear Rotarians, Supporters, and Community Members,

We are reaching out to you with excitement and a heartfelt request for your support in making a profound impact on the lives of our future leaders. Our campers have been granted the incredible opportunity to attend the Rotary Youth Leadership Awards (RYLA) program, a transformative experience centered around the Three Principles of Teamwork, Communication, and Goal Setting.

### **Why Support RYLA?**

RYLA is not just a typical camp experience. It's a week-long journey that immerses participants in a dynamic environment where they learn and apply essential leadership skills rooted in the principles of teamwork, communication, and goal setting. Campers collaborate on impactful community projects, building lifelong connections with like-minded individuals. This program empowers young leaders with the knowledge and tools they need to make a positive difference in their communities.

### **How Your Contribution Makes a Difference:**

By contributing to our RYLA fundraising campaign, you are directly investing in the development of these aspiring leaders within the context of the Three Principles:

- **Teamwork:** Your support facilitates team-building activities and collaborative projects that instill the value of teamwork and cooperation.
- **Communication:** Enable campers to participate in workshops and activities that enhance their communication skills, fostering the ability to express ideas effectively and listen actively.
- **Goal Setting:** Empower young leaders to set and achieve meaningful goals, both individually and collectively, instilling a sense of purpose and direction.

### **How You Can Help:**

**Donate:** Every contribution, no matter the size, makes a meaningful impact. Your generosity directly supports the growth and development of our campers in the context of teamwork, communication, and goal setting.

**Share our Campaign:** Spread the word! Share our fundraising campaign on social media, among friends, and within your community. Together, we can reach more people and make a collective difference.

**Become a Sponsor:** If you or your organization is passionate about youth leadership development within the framework of teamwork, communication, and goal setting, consider becoming a sponsor. Your support will be recognized and celebrated throughout the camp experience.

### **Join Us in Empowering Future Leaders!**

Your support is not just an investment in a camp; it's an investment in the future. Together, let's empower these young leaders with the skills and inspiration they need to create positive change in the world.

Donate Today and Be a Catalyst for Change!

Thank you for being a champion for leadership, community, and the future!

Warm regards,

Ryan Walla

RYLA Director
