

Our goal is for the local schools and community organizations to present the local Rotary Club with many times the number of qualified candidates for selection. The local Rotary Club will interview the nominees and choose the student(s) that will represent their club at RYLA (Rotary Youth Leadership Academy).

Soliciting the assistance of schools and other organizations for the purposes of locating interested students is encouraged, but losing control of the process by putting them in charge of it greatly reduces the value that the Rotary club brings to the process and has shown to quite frequently result in errors and omissions that would otherwise be avoided and that can lead to students not being able to participate.

To be eligible, students must presently be members of the freshmen class and be able to attend the entire RYLA camp.

The following criteria should be included in your selection process:

Leadership Potential:	Possesses the qualities required of an effective leader.
Leadership Experience:	Has the student had any experience in a leadership capacity (e.g. class officer, team captain, officer in a school organization)?
Academic Ability:	Seriously pursues his/her studies to the best of his/her ability.
Extracurricular Activities:	Does the candidate participate in after-school activities?
Intellectual Curiosity:	Does the candidate question that which is experienced or do they simply accept it?
Articulation:	Does the candidate express thoughts and feelings accurately and effectively?
Relationship with Peers:	How easily does the candidate get along with others?
Openness to This Experience:	Is the candidate willing and eager to participate in a new experience, with a new group of peers?
Diversity:	Does the candidate reflect the cultural diversity of your community?

We are looking for sincere, interested and well-rounded individuals for the RYLA program. Your assistance and cooperation is very much appreciated by everyone at RYLA and in Rotary District 5390.

Scholarships are awarded to students who will be entering their Sophomore year at the time of the camp. The young leaders are to be **selected on the basis of leadership potential, personal values and good citizenship, intelligence, promise of future success and their desire to attend.**

The person selected will represent your Club in a leadership training program with over 100 other young leaders from other high schools throughout our District. You are encouraged to select young men and women who will contribute to the total program and in the following year make a positive contribution in their school and community.
