

What is the Rotary Leadership Institute?

RLI is a training program established to substantially improve the Rotary knowledge and leadership skills of the future leaders of Rotary clubs and our District.

Trainers are carefully selected from among Rotarians with outstanding leadership abilities and are prepared to conduct innovative and participatory course sessions. The faculty members are carefully selected by the RLI Co-Chairs for their teaching abilities.

RLI courses provide as much discussion and active participation as possible and sessions are limited to 15 persons. Lectures are strictly limited. Course methods include discussion groups, role-playing, problem solving activities, project design, and media presentations.

RLI is an outstanding opportunity to improve the Rotary knowledge of the club's key people, while developing their confidence in their leadership skills. The exchange of ideas with other experienced Rotarians alone makes the courses worthwhile. These leadership skills are universal professional development tools for all careers.
