

**ROTARY CLUB OF REGINA EASTVIEW
PRESENTS**

“ADVENTURES IN AGRICULTURE 2016”

**November 23 – November 27, 2016
Regina, Saskatchewan**

**A Rotary Adventure Program for Senior High School Students
(Districts 5550, 5360 and 5370)**

APPLICATION FORM

THIS PROGRAM is in its 20th year and is held annually during the internationally acclaimed Canadian Western Agribition Livestock Show and Sale in Regina. Students have opportunity to visit Agribition; tour major agriculture based industries; and, participate in networking and information sessions conducted by agriculture industry professionals and business leaders. The program is aimed towards senior High School Students interested in agriculture, and is designed to help broaden knowledge and understanding of the multi-faceted agricultural sector, environmental issues, and the challenge of providing food for the world. We want to achieve a balance between male and female applicants. Applications will be considered from students entering Grades 11 and 12 in September 2016 who want to learn more about the agriculture industry and its career opportunities, are recommended by their school, and are sponsored by a participating Rotary Club.

This application should be completed using “Microsoft Word”, then filed by e-mail along with your school’s recommendation to the local sponsoring Rotary Club to be relayed by e-mail to bgollnick@accesscomm.ca. A head and shoulders photograph (preferred size 3” x 5”) should also be forwarded by way of a separate attachment using “adobe acrobat”. The acceptance deadline for completed applications is November 7, 2016

You will be expected to speak on an agriculture industry topic for a maximum of 4 minutes during the Sunday morning program. Your topic is one of your own choice. You may have presented it at a previous function (which is acceptable). Indicate in the spaces below why you have chosen this topic. You should research and prepare the speech yourself and not copy it from other sources. If you use references from other sources you should so indicate.

In order to avoid duplication or for other reasons we may ask you to select another topic. Unless you are otherwise advised you can assume your topic is acceptable when your application is accepted.

Is there anything you want to add to this application?
