

Rotary Adventures in Human Rights

August 17 to 19, 2021

A virtual, engaging, and interactive workshop for high school students interested in human rights!

The goal and mandate of Rotary Adventures in Human Rights is to provide students with the opportunity to explore human rights by exploring themes such, gender equity, Indigenous perspectives, genocide, when rights are denied, sustainability, and more!

At the end of the program, students will have the opportunity to create an action plan that they can implement in their school or community.

With their newfound insight into human rights and peace building, students will be encouraged to continue their peace journey in the Emerging Issues in Human Rights course at the University of Winnipeg Global College (Summer 2022).

Although it may look different this year, this virtual event will be engaging and interactive!

Sessions will be offered in partnership with the Canadian Museum for Human Rights, Fort Whyte, and a series of guest speakers.

If you are a high school student entering grade 10, 11 or 12 in the fall of September 2021, you are eligible to apply!

Cost: \$50
