

2023 Dates

JUNIOR RYLA
SENIOR RYLA

July 31 – August 5, 2023
August 7 – August 12, 2023

What is RYLA?

An opportunity for youth to attend a 6-day camp that focuses on leadership developmental, topics of interest and recreational activities. RYLA begins at the Club level with the selection of students to attend a District Camp.

JUNIOR RYLA for youth aged 12-14 on first day of camp

SENIOR RYLA for youth aged 15-17 on first day of camp

- Participants will be selected and sponsored by local Rotary Clubs
- Clubs are encouraged to send two students to either or both camps
- Clubs are encouraged to send one male and one female
- Clubs may send more students but should check with the Chair or Registrar to confirm space
- Approximately 56 students will be allowed to attend each of the two camps.
- The camp is held at **Anglican Memorial Camp, Clear Lake, MB**
- The camp follows a “hands on” and “learn by doing” approach to learning.

What is the purpose of RYLA?

- To demonstrate Rotary’s respect and concern for the youth. Rotary clubs around the world are dedicated to helping young people develop their leadership skills to the fullest.
- To encourage, assist and train selected youth to become responsible citizens and develop new leadership skills.
- To publicly recognize the high qualities of the many young people in our communities.
- To promote an atmosphere that will provide everyone with a basis of insight and understanding for intelligent leadership.
- To help the youth realize their potential and to exercise their experiences within their life and their communities.
- To enthuse young people and provide them with improved leadership skills. This enthusiasm and advanced skills are brought back to the sponsoring community.
- To expose many young people, their families and peer groups the Ideals of Service of Rotary International.
- To expose young people to the work that Rotary does in their community and around the world.
- To prepare the students for the challenge of becoming involved in Rotary in their communities by joining Interact, Rotoract, participating in Rotary programs, or helping in fundraising efforts.

Strong leaders are made – not born.

Leadership skills and principles are learned – not inherited.

What is the selection criteria for RYLA?

Each Rotary Club in District 5550 is invited to select young people in their community to attend RYLA. Clubs are encouraged to send one female and one male student to each camp, though can choose to send more if they are able.

Clubs are reminded that they are to meet with applicants before registering to ensure they meet the criteria. Below is a list of suggested criteria, but clubs may choose to add to this list.

SUGGESTED CRITERIA

- Leadership experience or potential as shown by active participation in youth groups and/or service as a youth leader
- High moral character
- Cooperative and willing spirit to participate in group activities
- Knowledge of current events
- Able to communicate clearly
- Is personable and presents themselves in a respectful manner
- Perform well in school and/or work
- Involvement in school or extra curricular activities

Why send students to RYLA?

- Participants will receive information to take-home about Rotary initiatives and other Rotary Youth Programs, exposing them to Rotary International and all the work that Rotarians do at home and abroad
- Sponsoring Rotary Clubs will gain the satisfaction of knowing they have given these students an opportunity to better understand themselves at a challenging and critical developmental age
- Sponsoring Rotary Clubs will have a youth they can contact to assist in Rotary Projects
- RYLA alumni tend to continue to stay connected to Rotary through other youth programs or joining an Interact or Rotaract club

What if we can't find students to send to RYLA?

No problem! We often have applicants that apply without sponsoring Rotary Clubs. If your club is having trouble finding students in your community but are wanting to support a youth to attend this wonderful experience, please contact the registrar or the current chair and we will work with you to find a camper to sponsor.
