LEGO Robotics kits were purchased for McKinley Elementary School to begin a First Lego League Program. The activity was originally to be an after school program at McKinley and the beneficiaries were McKinley and its participating students. Creating the afterschool program has posed its challenges, as it would be vital to have a McKinley staff member available to help. We originally had difficulty finding McKinley staff members, but two have recently stepped up. The afterschool program will begin at the start of the new semester, and additional volunteers from Appareo Systems and Heat Transfer Warehouse will help run the program.

While the original intent of the project was delayed, McKinley frequently uses the Kits in classrooms for 3-5th graders, and it falls within one of their core curriculums. Between 40-45 students have benefitted from this so far.

2.

Four Rotarians participated in the project.

3.

The Rotarians met with school officials to determine their needs, proposed the grant, and helped obtain volunteers outside of Rotary to sustain the project.

4.

Currently, between 40 and 45 students are benefitting from the project.

5.

Introducing children to STEM education. Employment in STEM positions is increasing, and hopefully this program will provide a desire to enter that field.

6.

Appareo Systems (an engineering firm in Fargo) and Heat Transfer Warehouse will be providing the volunteers to run the afterschool program. Some of the volunteers have already gone through First Lego League training in order to do this.

7.

INCOME	TOTAL	
\$3800.00 provided by Fargo Rotary Club	\$3800.00	
\$3609.00 matched by District 5580	\$3609.00	
TOTAL:	\$7409.00	

8.

EXPENDITURES	TOTAL	
\$6589.84 for purchase of LEGO Robotics kits	\$6589.84	

^{*}Please see the attached Sales Quote and American Federal checking account statement

Funds to return to District:

\$3800.00 (funds placed by Fargo Rotary) – \$3609.00 (District Matching Grant) = \$191.00 (excess funds placed over District matching grant to be retained by Fargo Rotary.

\$819.16 (Remaining Balance in Account) - \$191.00 (excess funds to be retained by Rotary) = \$628.16 (funds to be split equally between Fargo Rotary and District)

\$628.16 / 2 = \$314.08 (funds to be returned to District 5580)

\$314.08 + \$191.00 = 505.08 (funds to be retained by Fargo Rotary)
