

Rotary Club Name: Ely**Project Title:** Trash and Recycling Program**Project Description**

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

Ely Rotary collaborated with the city and chamber of commerce to purchase and distribute recycling and trash containers around the city...They were ordered and delivered mid-winter and placed out during the summer.....

2. How many Rotarians participated in the project? 4

3. What did they do? Please give at least two examples. 1) coordinate the project 2) served on the committee with the chamber and city 3) various tasks, including placements and installations.

4. How many non-Rotarians benefited from this project? 3,500+

5. What are the expected long-term community impacts of the project? These containers will provide places for visitors and residents to place trash, adding to cleanliness...There have never been recycling containers out for public use, now there are.

6. If a cooperating organization was involved, what was its role? Chamber of Commerce participated in container selection. City has responsibility of placing, maintaining, emptying.
