PROPOSAL NARRATIVE*

I. ORGANIZATION INFORMATION

1. Brief summary of organization mission and goals.

Our mission is to provide Duluth-Superior area persons of all ages access to sailing experiences regardless of skill level. We accomplish this by providing a fleet of boats, U.S. Sailing certified instructors and a friendly supportive atmosphere to all persons, regardless of ability to pay.

II. PURPOSE OF GRANT

- 1. The opportunity, challenges, issues or need and the community that your proposal addresses. We teach a sustainable life sport and make it available at low or no cost depending on ability to pay.
- Overall goal(s) regarding the situation described above.
 Develop self esteem, self reliance and teach teamwork skills. Provide wholesome outdoor sustainable activities for youth.
- 3. Objectives or ways in which you will meet the goal(s). We accomplish this through a well organized and run program with certified instructors and a fleet of boats ranging from 8' to 31' in length.
- 4. Specific activities for which you seek funding.

 Purchase of an 18' sailboat that is not draft restricted at our pier on Park Point
- 5. Who will carry out those activities. Certified sailing staff
- 6. Time Frame in which this will take place.
 - Each summer from mid May until late September
- 7. How the proposed activities will benefit the community in which they will occur, being as clear as you can about the impact you expect to have.
 - Youth regularly describe our program as the highlight of their summer. We provide these exhilarating experiences to those who have no other access to the water, and we do so in a safe, structured manner.
- 8. Long-term funding strategies (if applicable) for sustaining this effort.

 We are supported by several organizations, by membership and class fees, gifts, grants, as well as through the direct supportive efforts of the Duluth Boat Club.

III. EVALUATION

1. Please describe your criteria for success. What do you want to happen as a result of your activities? You may find it helpful to describe both immediate and long-term effects.

We are a successful, growing non-profit, as described above. Our current capital need that we hope Rotary 25 can fund is the purchase of a used 18' sailboat to be used in instruction and daily sailing experiences offered to youth in the community.
