

CROSS CURRENTS-NEW FORMAT

DISTRICT 5580 GOVERNOR, HERB SCHMIDT 2016-2017

JANUARY 2017

Happy New Year! We hope all of you had a really relaxing and enjoyable holiday season. Now that the holiday season is behind us we can be looking ahead to an exciting 2017.

So, what's coming up? Well, we're starting the year with Grants Management Seminars (GMS) in January, February and maybe March. And, there will be a "makeup" GMS at district conference. Don't forget, to qualify for a matching grant at least one person in your club has to attend a GMS and the Memorandum of Understanding (MOU) and the addendum have to be signed by the 2017-18 incoming president. Also, Mar 31 is the deadline for district matching grant applications. So if you have a project in mind now is the time to be working on details.

Then comes President-Elect Training Seminars (PETS). The format for PETS is being continually changed to offer the information the President-Elects tell us they need and want. In addition, this year Diane will be offering some secretarial training.

Looking ahead to April and district conference; the district conference committee has a really neat and a little different conference planned. The theme of the conference is "The Great Spirit in Rotary" and is meant to give us more insight into Native American and Indigenous Canadian culture. Please get registered early. We're expecting a larger than average turnout and space for some events may get limited. And, don't forget to bring a silent auction item from each club to support the Rotary Foundation.

May 4-7 the Model United Nations Assembly (MUNA) meets in Winnipeg. This is another opportunity for our youth to develop leadership skills, writing and public speaking skills and learn about diplomacy, international relations and the United Nations. If you are interested in sponsoring youth to MUNA please let the district office know for more information.

In June we have the International Conference in Atlanta, GA. This is a huge gala event that, in addition to being very inspirational and informative, will be celebrating the 100th anniversary of The Rotary Foundation. To get a true feeling for the international nature of Rotary every Rotarian should attend at least one international conference. Because of the venue this conference will be as convenient and affordable as any international conference will get.

Bonnie and I have now visited 64 of the 67 Rotary clubs in our district. We continued to be awed by the all the work, resources and dedication our Rotarians put in for service to others. On January 17 we will be participating in Charter Night for the new Grand Forks Downtown Rotary club. The last club chartered was the FMPM club five years ago so this is really a unique and exciting event. The last week in January we plan on visiting the remaining two clubs in the district.

As you see, there are many opportunities the second six months of this Rotary year. Thank you to all of you for your service to others.

Herb Schmidt
District Governor

EDITOR'S NOTES:

ROTARY PEACE CENTERS

The [2018 Rotary Peace Fellowship](#) application is now available! Our [new online application](#) will streamline the submission and review process and help districts manage the increasing number of Rotary Peace Fellowship applications.

Users of the new application can expect:

- Better functionality and design

- A district dashboard for reviewing and endorsing applications and communicating with applicants
- Automated email communications from the platform
- Technical support and training from our platform provider, Embark
- A sign-in process that is separate from My Rotary and other Rotary databases and applications

Please note that the application is in English only, and we will no longer be able to accept PDF applications. As a Rotary leader, you play a key role in communicating information about the peace centers program to club and district leaders, who help identify and nominate candidates for the fellowships. We encourage you to use and share these resources:

- The [Rotary Peace Centers Program Guide](#) — information on eligibility requirements and finding qualified candidates
