

I personally have attended the PETS trainings in many roles as a Rotarian. I attended as a President-Elect Nominee and found it very helpful to start thinking about my role as President more than a year in advance. **Therefore, we encourage each club to invite their President Elect- Nominee (President in 2018-2019) to attend PETS as well.** We are committed to provide you with the training that you need to be successful next year as Club President. This year, we are separating the training into two categories of **elective** and **core** courses. The **electives** will be available on our website by mid-March for those of you that feel you need more information in a specific area. **Core** courses are additional topics that we feel all attendees need in order to be successful in their year as President. You are giving your most precious resource, your time, to participate in the training. We are planning a training session that will leave you feeling confident and prepared to serve as Club President.

It has been said that ***“the answer is in the room”*** and therefore, we will be calling upon each of you to share your experiences and knowledge with your fellow Presidents-Elect. We look forward to seeing you at the PETS training and wish you the very best in the most important year you’ll have as a Rotarian.

For assistance with registration, contact Diane at the District Office at bigfish@uslink.net or call her at 218.568.6027.
