Sir,

We express our heart felt thanks for allotting 15+15 desks and benches to our school. Our School is located in a rural area near western Ghats and it is run by poor management. Though they are trying their best to provide us with sufficient furniture, we are in scarcity. The lower standards like 6,7& 8 are without proper desks and benches and the students are seated on the floor only. So the furniture supplied by you is really a boon to us. It will be very useful to us and it will meet our needs to some extent. Once again I thank you for your kind consideration.

Thank You, Sir.
