Date Submitted	<u>3/31/2016</u>	Estimated Timeline	<u>July 1, 2016 -- September 2016</u>

SECTION 1: PROJECT DESCRIPTION

Explanation: District Grants support the humanitarian service projects of Rotary clubs and districts. In this section, describe in detail the humanitarian need your project will address, the intent of the project, how the project will be implemented, and how Rotarians will be directly involved in the project. Rotarian involvement is required and a one year timeline is requested (start to finish).

Please provide the name of the project site, the city or village, state or province, and country. List multiple locations, if applicable.

Project site: TNT Kid's Fitness & Gymnastics

City / Village: Fargo

State / Province: ND

Country: USA

Describe the project and the problem or need it will address, including the intended beneficiaries and how the project will benefit the community in need. Provide the estimated length of time needed to complete the project including a START (July 1, 2016) and END DATE.

TNT Kid's Fitness (TNT) has recognized the greatest need in their community is to increase the number of facilities and environments in which individuals that have special needs can grow through movement. TNT opens the doors to ensure that children with special needs have the same opportunities to being active! TNT has established solid partnerships with the Fargo, West Fargo, and Moorhead area public schools and other organizations to meet the requests for serving the special needs population, but again, it comes at a cost that many are unable to afford outside the school setting so a partnership was formed to facilitate the program during the school day.

We believe, the special needs program starts with a partnership with the local school district, agencies/organizations that support children with special needs, and a gymnastics center. TNT has partnered with Fargo, West Fargo, and Moorhead School Districts since 2007. Today, TNT is part of the Fargo Special

with Fargo, West Fargo, and Moorhead School Districts since 2007. Today, TNT is part of the Fargo Special Education curriculum and serves over 21+ special education classes attending TNT on a weekly basis. With serving a large number of children with special needs, TNT is partnering with the Anne Carlsen Center (ACC) to start a childcare center, Learn n Move, to include children with special needs. The capacity is for 55 children with approximately 10% of the population to serve children with special needs. TNT Kid's Fitness has been instrumental in the creation and delivery of physical education elements in pre-school and childcare centers in the community. TNT has acquired equipment for mobile physical activity fitness labs and shares the equipment and provides training to area Head Start programs and daycares. TNT has supported the passing of a community health code that requires daycares to include physical activity as part of their structured curriculum and requires daycare providers to receive physical activity training provided by TNT.

The center will provide training models for the childcare industry professionals. TNT and ACC are Growing Futures approved organizations that are able to provide Continuing Education Units (CEU) to providers for annual licensure purposes. Currently TNT has trained over 500+ providers with physical activity curriculum to support the importance of movement as it relates to their cognitive, behavioral, and social needs.

As part of the Learn n Move childcare center, in the newly expanded facility, is the childcare outdoor space. This space will feature structures in the playground that children of all abilities will be able to play on. The playground equipment will align with TNT's mission of inclusivity to ensure children have the ability to play with their peers side by side coupled with the importance of physical activity.

1. Learning Wall: Accessible Panels perfect for use with mobility devices or wheelchairs. Combine multiple panels together to create an accessible learning wall for your early childhood playground.
2. Cozy Dome. A quiet space for over-stimulated kids, peek holes let kids and supervisors keep an eye on the action, various textures on the outer surface create a perfect climbing experience

Developmental Benefits for both pieces of equipment -

Sensory: Vestibular, Proprioception, Tactile; Motor Skills: Balance, Coordination, Core Body Strength
Motor Planning, Upper Body Strength, Lower Body Strength, Flexibility
Cognitive Skills: Problem Solving; Social/Emotional Skills Cooperation, Social Skill Development.

Careful consideration has been taken to ensure there are pieces of equipment that will be engaging, provide learning, activity, and inclusion.

The mission of The Rotary Foundation is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

How will this project meet the mission of Rotary Foundation?

TNT was founded on the basis that physical activity is necessary to ensure success in children, and that ALL children should have the same opportunity available to them. Physical Activity is a platform from which individuals of all abilities establish physical, cognitive, social, and emotional skills that allow them to thrive in multiple environments and for a life time.

How does this meet the mission? *What makes Rotary different* is their approach to solving community challenges. TNT spent several years working on taking down physical activity barriers by of connecting with parents of children with special needs who identified inclusive recreational opportunities were hard to find in our community and finding building space to accommodate any activity was even more difficult. In 2006, TNT was built to include programming for include every child. We recognized the challenges, hired adaptive PE staff to modify curriculum to include children of all abilities, partnered with over 25 organizations/agencies to offer space to collaborate and share their facility. *What makes Rotary different* is their responsible leadership means more than just doing good work—it means making the most out of every donation. This grant gift to support the outdoor play space is shared by multiple organizations all of which partner with TNT. TNT was built on collaboration; each gift not only supports TNT, but a host of other organizations in the

SECTION 3: PROJECT PLANNING

Explanation: Before an application is submitted to Rotary International District 5580 GC, project partners should discuss various planning details. The questions below are a guide to aid project planning. Note that a Rotary club/district or Rotarian may not own or benefit from anything purchased with grant funds.

Identify who will own equipment and maintain, operate, and secure items purchased with grant funds. (A Rotary club or Rotarian cannot own equipment.) TNT Kid's Fitness is a 501c3 organization and will maintain the structures at their current location. The Rotary district funds will be applied to the outdoor structures. The playground equipment will be supported and maintained by TNT. The executive director, Kim Pladson, will provide a report and onsite opportunities for local Rotarians to come visit and tour the space of the finished project.

Will training in use and maintenance of technical equipment (including software) be provided? If so, who will provide training? TNT conducts bi-annual equipment training and year-round safety training for all its employees. It is a requirement that all employees receive back ground checks, First Aid, CPR, AED trainings as well as the USA gymnastics basic training to be employed at TNT. TNT has invested in their own staff to become trainers in first aid, safety, physical activity certified. No technical equipment or software is needed for training.

Describe how the benefiting community will maintain this project after grant funding has been fully expended. The Learn n Move will be sustained through program fees paid by parents on a weekly basis. TNT has learned through several conversations with physical education teachers, therapists, and parents of children with special needs, that children had to engage in physical education in the hallways in school, as they were not able to accommodate these needs in the typical class nor was there gym space available. It is equally challenging to find childcare with inclusive opportunities as well as peer play with day-to-day interactions.

The childcare space will provide a much needed inclusive opportunities for parents. It is difficult to find childcare to include their child with special needs. These playground structures will be a benefit by promoting equality, inclusion, and social interaction to enhance the holistic approach of child development.

Describe specific activities of the benefiting community partners in implementing the project.

TNT is proud to partner with Rotary to lift up their community service commitment and mission in the community. TNT hosts several events annually that involve children of all abilities that support a volunteer component.

1. Rotarians can volunteer to read to children at the childcare during special themed weeks i.e. Dr. Seuss week.
2. Assist in the Chamber Ribbon Cutting bringing light to the service club's mission and the investment made for the playground.
3. Identify the equipment the grant supported with a recognition plate on the playground pieces supported by the grant.

How will the Rotarians who are members of the partner clubs be involved the project? Please note that financial support is not considered active involvement. (See the District Grant application instructions for suggestions.)

Special events throughout the year are facilitated at TNT. TNT has a volunteer component to its organization to help run events and partner with other agencies, service clubs, and organizations. TNT supports community events and participates in i.e.: facilitate the fitness for the Fargo Youth Marathon Run and Energize Nights at local neighborhood schools to name a few. TNT believes and invests in community initiatives that focus on health for our youth.

TNT would encourage an onsite service club weekly meeting to be hosted at TNT. The volunteer component at TNT is endless when it comes to serving or providing an opportunity that Rotarians are able to participate in.

Indicate what financial arrangements have been made to pay for this project (i.e. Are you working with other organizations or are Rotarian contributions a part of your funding)?

The project date is set to start after July 1, 2016. An initial 50% down payment is required to order the equipment and have an install date confirmed for the July timeframe.

The outdoor playground structure is being supported in part by the AM & PM Rotary clubs as a partnership support. Other sources of donations are being solicited for the remaining structures of the playground. Total Playground fitted up is \$85,635.

Have the sponsor clubs/districts planned and agreed to fund plumbing or electrification for equipment and appliances in existing buildings (hospitals, schools, libraries, orphanages, etc.)? N/A

SECTION 4: ROTARY INTERNATIONAL DISTRICT 5580 - PRIMARY CLUB

Explanation: The Rotary International District 5580 primary club is the club sponsoring the project. A committee of at least three Rotarians from this club must be established to oversee the project. The primary project contact must be a member of the primary club identified below. The project committee must be composed of members of the sponsor Rotary club for club-sponsored projects or district for district-sponsored projects. The committee members must be committed for the duration of the grant process. Please provide the primary address for all committee members, as all Rotary information will be sent to this address. It is highly recommended that the primary contact (who receives all information from the District Grants Subcommittee) have an e-mail address to expedite communication.

SECTION 6: PROJECT FINANCING

Explanation: Clearly list all financing in U.S. dollars noting which funds will be contributed in cash and which will be contributed from District Grant Funds (DGF). The district Rotary Foundation Committee Chair must authorize use of District Grant Funds.

Project finances must match projected project budget.

NOTE: No funds should be spent and no work should be started on this specific project prior to official Rotary International District 5580 Grants Committee approval. Upon approval, a notice will be sent to the sponsors informing them of approval and providing detailed instructions on how and where to submit their contributions and reports.

RI District 5580 Rotary clubs	Cash (US\$)	DGF (US\$)	DRFC Chair D-5580	DRFC Chair Authorization	Dist. Governor D-5580	Dist. Governor Authorization
Fargo (Downtown)	19000	4000				
FMAM	3000	3000				
FMPM	3000	3000				
Total D-5580 Club & DG Funds	25,000	10,000	Roly Turner		Craig Loughery	
Subtotals, Cash and DGF	25,000	10,000				
TOTAL Cosponsor contributions	35,000					
Additional non-Rotarian outside funding (not matched by or forwarded to RI District 5580)	54,141.39					
Total project financing (Must equal Project Budget page Total)	\$89,141.39					

SECTION 7: AUTHORIZATIONS

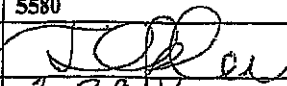

Explanation: Authorizations ensure that all partners are aware of, and interested in, pursuing the described project. By signing below, the current club presidents for club-sponsored projects and current district grants subcommittee chair for district-sponsored projects, as well as the committee members, agree to the criteria listed and affirm their support of the project.

All Rotary clubs, districts, and Rotarians involved in this project are responsible to The Rotary Foundation (TRF) for the implementation of the project and its subsequent reporting. The signatures of all involved parties confirm that they understand and accept responsibility for the project. Parties may either sign this page or submit a separate letter of commitment.

By signing the next page below, we agree to the following:

- **All information contained in this application is, to the best of our knowledge, true and accurate, and we intend to implement the project as presented in this application. Any alterations or changes in scope must have the expressed approval of the D5580 Grants Committee Chair.**
- **The club/district agrees to undertake this project as an activity of the club/district.**
- **We ensure all cash contributions (as detailed in Project Financing) will be forwarded directly to the project account after RI D-5580 Grants Committee approval of the grant.**
- **RI D-5580, RI and TRF may use information contained in this application to promote the project by various means such as district publications, The Rotarian, the RI international convention, RVM: The Rotarian Video Magazine, etc.**
- **The partners agree to share information on best practices when asked, and RI D-5580 and TRF may provide partners' contact information to other Rotarians who may wish advice on implementing similar projects.**
- **To the best of my knowledge and belief, except as disclosed herewith, neither I nor any person with whom I have or had a personal or business relationship is engaged, or intends to engage, in benefiting from TRF grant funds or has any interest that may represent a potential competing or conflicting interest. A conflict of interest is defined as a situation in which a Rotarian, in relationship to an outside organization, is in a position to influence the spending of TRF grant funds, or influence decisions in ways that could lead directly or indirectly to financial gain for the Rotarian, a business colleague, or his or her family, or give improper advantage to others to the detriment of TRF. (NOTE: Any and all exceptions must be explained in an attached statement.)**
- **The club agrees to comply with all applicable terms and conditions of "The Rotary Foundation Memorandum of Understanding" and "The Rotary Foundation Future Vision RI District 5580 Addendum to The Rotary Foundation Club Memorandum of Understanding". The Rotary Foundation, RI D-5580 Audit Committee and/or the RI D-5580 District Foundation Compliance Officer have the authorization to audit the project at any time.**

SECTION 8: COOPERATING ORGANIZATION

Explanation: A *cooperating organization* is an organization that is directly involved in the implementation of the project, offering technical expertise and project coordination. A *benefiting entity* is the recipient of goods or services and is not considered a cooperating organization.

If this project involves a cooperating organization (neither a Rotary club nor the beneficiary of the project), provide the following:

Name of organization: TNT Kid's Fitness & Gymnastics

Street Address: 2800 Main Ave

City, State/Province: Fargo, ND

Postal code: 58103

Country: USA

Office phone: (701) 365-8868

Fax: 701.365.8870

E-mail: kimpladson@tntkidsfitness.org

Web address: <http://www.tntkidsfitness.org/>

In addition to the above, the following must be attached:

- Letter of participation from cooperating organization that specifically states:
 - Its responsibilities and how it will interact with Rotarians
 - The organization's agreement to cooperate in any financial review of the project

SECTION 9: FINAL REPORT

Explanation: Although all partners are responsible for completing progress and final reports, the D-5580 Grants Committee requires that one partner takes primary responsibility for submitting the final report to the D-5580 Grants Committee Chair Person. It is recommended but not required that the club or district receiving the funds should take primary responsibility. In any case, this signature of reporting responsibility should be that of one of the primary club's/districts project contacts.

"By signing below, our club/district accepts primary reporting responsibility."

Print Name: Matt Langemo

Signature: 

District: 5580

Rotary Club: Fargo (Downtown)

SECTION 10: D-5580 GRANTS COMMITTEE MENTOR REVIEW

Explanation: The D-5580 Grants Committee Chair will assign a mentor to help in preparing the District Grant. Once the mentor is satisfied that the application is complete, the mentor will sign off (below). Applications cannot be submitted without the mentor's signature.

"On behalf of the committee, I hereby certify that to the best of my knowledge and ability this grant application is complete, meets all TRF guidelines, and is eligible for funding."

GC Mentor:

Signature: 

District: 5580

Date: 03-30-2016

SECTION 11: COMPLETION CHECKLIST

Before submitting your District Grant application, please take a moment to review this checklist. If you have any questions or concerns, please contact the appropriate District Grants Mentor or D-5580 Grants Committee Chair Person.

NOTE: To select a box, double click on it. Then, from the sub-menu select checked or not checked, then click on Okay

- The project meets all grant policies and guidelines (see *The Guide to Matching Grants* [144-EN] or the RI Web site at www.rotary.org).
 - The project description clearly states how the project will assist those in need.
 - The activities of Rotary International District 5580 clubs are clearly explained. The Rotarians will be actively involved in the project.
 - The District 5580 club(s) and partners have created committees to oversee the project. These individuals are correctly listed on the application with their complete contact information.
 - A detailed, itemized budget is included in the application.
 - All partner contributions are listed in the application, noting which contributions will be cash and which will be DGF.
 - The Rotary Club President and District Grants Committee Chair from District 5580 (and partner(s)) have provided their authorizing signatures.
 - All committee members (three for projects within D-5580) have provided their authorizing signatures.
- or N.A. If a cooperating organization is involved, the following letters are included with the application:
1. or N.A. A letter from the organization specifically stating its responsibilities, how it will interact with Rotarians, and agreeing to cooperate in any financial review of the project.
 2. or N.A. A letter of endorsement from the NGO partner confirming that the cooperating organization is reputable and works within the laws of that community / country.
 3. or N.A. If the project involves a revolving loan or microcredit, are the Revolving Loan Fund Supplement and Credit Group Plan included?
- The DRFC chair has provided his/her signature authorizing the use of District Grant Funds.
 - The District Governor has provided his/her signature authorizing the use of District Grant Funds.
 - The D-5580 Grants Committee Mentor has certified the application as complete and eligible.
 - The Rotary Club (and partners) have made copies of all documents for their files prior to submitting electronically to District 5580 Grants Chair Blake Crosby bcrosby@far.midco.net and Diane Collins bigfish@uslink.net Diane will post to the District website www.clubrunner.ca/5580 for the D-5580 Grants Committee to review.

March 23, 2016

Matt Langemo
Lynn Speral
Downtown Rotary
Fargo, ND 58102

Dear Matt & Lynn,

It is with sincere appreciation and gratitude to the Downtown Rotary for selecting TNT. I enjoyed having you both visit TNT Kid's Fitness and the thoughtful process that went into choosing an organization to invest in.

TNT is a non-profit 501(c) 3 and is audited each year and completes a 990. On behalf of TNT, I agree to cooperate and supply any financials that will be needed to the Rotary Clubs to review at any time throughout the project.

Relationships, awareness, and informing are very valuable to every organization. TNT would like to continue building our relationship with the Rotary Clubs. Here are a few ways to ensure participation, opportunities and annual updates can continue:

- TNT has been built on collaboration and makes available multiple volunteer opportunities to partner with in our community. TNT would like to offer an event each year in November to have Rotarians participate in by volunteering for the special needs "Cross Fit" challenge or any other event TNT hosts.
- I encourage and extend an invitation the Rotary Downtown, PM, and AM Clubs to schedule an onsite meeting at TNT. This would give TNT a chance to highlight the project with a site tour and celebrate the investment and show how the playground and sensory gym equipment will impact the lives of children we serve.

TNT has been able to grow and sustain its programs throughout the years because of the wonderful support in our community. It will be a great pleasure to be a partner with the Rotary Clubs.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kim Pladson'.
