IMPORTANT: A project already started will not be eligible for World Community Service funds.

Explanation: Matching grants support the humanitarian service projects of Rotary Clubs and Districts. In this section, describe in detail the humanitarian need your project will address, the intent of the project including info on the beneficiaries (how the project will benefit the community in need), how the project will be implemented, and how Rotarians will be directly involved in the project (involvement is required by both the Host Club and International Partnering Club).

Meenakshipuram is a small village 15Kms south of Rajapalayam where our Rotary club is located in South Tamilnadu State of India. The village committee is running a Higher secondary school which is named as Perunthalaivar Kamarajar Higher Secondary School (PK Higher Secondary School) which caters to another 22 surrounding remote villages. 820 students are studying in the school but it has the capacity to accommodate only half of the students. Every year the number of admissions is on the increase and the School Committee find it difficult to accommodate all the children. So Rotary Club of Rajapalayam with the help of their International sponsor District 5580 built a New School Building with 12 Class Rooms in the year 2015. If the school has to be shifted to the new building it has to be shifted on a whole and not in part. So the new school building requires another 6 class rooms in the first floor so that the entire school can be shifted to the spacious new school. So Rotary Club of Rajapalayam in association with District 5580 can complete the project by adding another 6 class rooms in the first floor. The host club Rotarians will form a committee to oversee the project construction and will visit the building during the construction often. The partnering club will be in constant touch with host club and the progress of the construction will be updated with photographs.

Please provide the name of the project site, the city or village, state or province, and country. Provide a detailed map of the area or provide GPS (Global Positioning Site) coordinates.

List multiple locations, if applicable.

Project Site: Perunthalaivar Kamarajar Higher Secondary School Ground.

City/Village: Meenakshipuram Village.

State/Province: TamilNadu.

Country: India.

GPS coordinates (if no map is provided): 9°21 minutes 33.39 seconds N 77°31 minutes 05.82 seconds E

Provide name of ownership of property that structure on which structure is to be built.

Meenakshipuram Village School Committee.

Provide a blueprint/detailed drawing of the proposed structure as an attachment. Blue Print Attached.

Provide the estimated length of time needed to complete the project.

Six Months.

Describe how the benefiting community will maintain this structure or project (financing of maintenance, etc.) after grant funding has been fully expended and who will be responsible for sustainability of the

structure. : The School Committee is responsible for the sustainability of the Project and the building will be maintained by funds from the Meenakshipuram Village Committee which has a small annual subscription from the people.

Describe specific activities of the Host and International Partners in implementing the project.
Apart from funding the project for completion the Host partners will form a Committee for purchase of the Construction materials and oversee the construction activities of the project.

What will the Rotarians who are members of the partner clubs do during the project? Please note that financial support is not considered active involvement. (Refer to **Matching Grant Application Instructions** for suggestions.) The host partners will form a Committee of Rotarians to oversee the project. They will be actively involved in correct purchase of materials and also personally oversee the project at the site frequently till the completion of the project.

In US Dollars : \$44,777.00

Explanation: Clearly list all financing in US dollars in the section below, noting which funds will be contributed in cash and which will be contributed from D5580 WCS funds. Use of WCS must be approved by the Grants Subcommittee and authorized by the District Rotary Foundation Chair. **The Host Club or**

District must provide at least \$100 in cash, and it is highly recommended that they match as much as possible with “in kind” donations of sweat equity whenever possible.

Note: *A project bank account must be established in District 5580 or Host Country before WCS Grant Funds will be distributed. When established and total club/cash contributions have been deposited into the account, the WCS Grant matching funds will be sent directly to the project bank account.*

Host Club (Project Country) cash donation: \$ 14,777.00

D5580 Rotary Club(s) or District outside the Project Country:

Cash (US\$): \$15,000.00

Total Funds requested from D5580 WCS Fund: \$15,000.00

Additional outside funding not matched by WCS fund: \$0.00

Total Project Financing (Must equal budget): \$44,777.00

Explanation: Before an application is submitted to D5580, project partners should discuss various planning details. The questions and statements below are a guide to aid project planning. Note that a Rotary Club/District or Rotarian may not own anything purchased with grant funds.

- Identify who will own equipment and maintain, operate and secure items purchased with grant funds.
- Will training in use and maintenance of technical equipment be provided? If so, who will provide such training?
- Is software necessary to operate any items? If so, has software been provided?
- Indicate what arrangements have been made for customs clearance if items will be purchased and shipped from outside the project country.
- Provision of plumbing and electrification to structures where people live or work may be funded with WCS funds. Have plumbing or electrification for equipment and appliances in existing buildings (hospitals, schools, libraries, orphanages, etc.) been considered and funded?

Explanation: Authorizations ensure that both partners are aware of, and interested in, pursuing the described project. By signing below, the current Club Presidents for Club-sponsored projects, and current District Grants Subcommittee Chair for District-sponsored projects, as well as the committee members, agree to the criteria listed and affirm their support of the projects.

All Rotary Clubs, Districts and Rotarians involved in this project are responsible to D5580 for the conduct of the project and its subsequent reporting. The signatures of all involved parties confirm that they understand and accept responsibility for the project. Parties may either sign this page or submit a separate letter of commitment.

By signing below, we agree to the following:

- All information contained in this Application is, to the best of our knowledge, true and accurate, and we intend to implement the project as presented in this Application.
- The Club/District agrees to undertake this project as an activity of the Club/District.
- We ensure all cash contributions (as detailed in Project Financing) will be forwarded to the proper bank account after approval of the grant.

or his or her family, or give improper advantage to others to the detriment of D5580. (**NOTE:** Any and all exceptions must be explained in an attached statement.)

- Interim Reports are due every 6 months until completion of the project. The Final Report is due within two months of project completion. Failure to report will result in the club(s) returning ALL WCS funds to D5580!

To,
The President,
FMAM Club,
District 5580, USA.

Dear President,

Rotary Club of Rajapalayam has received a request letter from the Meenakshipuram Village School Committee regarding addition of Six Class Rooms in the First Floor of the Existing School Building already built by Bricks and Mortar project of your district in the year 2014-2015. Since the State Government does not permit the existing old school to be shifted in part, the school committee has given the request for addition of Six more class rooms in the first floor. The building plan and the estimates are attached with the application for another Bricks and Mortar project. Kindly consider favorably and sanction the project.

Thank you.

Yours in Rotary,

Rtn. J. Anand.

Reference :

Greetings and thanks to Rajapalayam Rotary Club. In the academic year 2015-2016. We received 60,000 US dollars from Bricks and Mortar Project of District 5580, USA through your efforts and through Rajapalayam Rotary Trust. We have built a new school with 14 class rooms in ground floor through the contribution and we, the Management of P.K.HSS, Teachers, Students and People of Villages in and around Meenakshipuram thank you all for the same.

On behalf of our Management Committee, We put a humble request before you. We want to shift our school from the old building to the new building and for that we need 6 more Class rooms in the First Floor. We request you to build 6 more Class room So that we could shift our school from the old building to the new building.

(We have already given this request to the visiting USA team from District 5580 in February, 2016.)

We grow with Rotary Club of Rajapalayam and our Villages are also growing with the Rotary Club of Rajapalayam.

Thanking You.
