

Suggested Calendar 2022-2023

This checklist is designed to help you as your Rotary Club President plan and, thereafter, monitor Club activities monthly. It also serves as a monthly reminder of activities and deadlines.

The purpose of this checklist is to be a starting point for YOUR planning as YOU personalize it to your club. In other words, convert this calendar/ checklist into your checklist. Just start here with this calendar and tailor it to make it your own.

Now, don't forget about the sitting 2021 - 2022 club president. It is important that some of your planning activities be coordinated with your current club president. Two examples are requests to meet with your new officers or to hold a club retreat before you take office. During your year as president, you will not want members unduly distracted from tasks they agreed to do for you. Naturally, you will want to extend that same courtesy to your current 2020-2021 club president. Be your current club president's supporter through the end of June 2022. They'll be an important supporter for you during your year.

Remember the message from Siegal + Gale: People stay in Rotary for a sense of community and to make a difference in their communities.

As 2022 - 2023 Club President

Prior to July 2022

Get your goals, plans and team in place

- ✓ Select your leadership team/ Select committee chairs
 - Draw up your list of open positions and suitable members for each position. Remember to create a balance with experience, those who are keen to contribute and first-time leaders in the club. Have a clear understanding of the role and outcomes you want achieved in each position.

- You may have already invited some people to be on your leadership team, to maintain their current positions for the next year with you, or have them in position on succession/strategic plans.
 - Approach identified members in a timely manner.
 - Ensure that those accepting your invitation to serve have key dates (i.e., District Conference)
- ✓ Set 2022-23 club goals in consultation with your Board and key committee Chairs. For example, set a percentage of retained members as a strategy for growth; along with specific plans to reach out to them (i.e., identifying members at risk and why); Reduce Number of Members Terminated between May 1 and June 30th; set a goal of 100% of members giving to the Rotary Foundation.

Meet with Club Rotary Foundation Chair:

- Discuss and agree on giving goals to be recommended (annual fund, Paul Harris Society, permanent fund in the form of Bequest Society, Polio giving, see the District Goals for Foundation when planning your goals)
- Share Rotary Foundation project ideas with your Board/Club.
- Develop a plan for implementation.

Meet with Club Membership Chair:

- Discuss and agree on membership net growth, new members and retention goals.
- ✓ Lead the Club board in setting and approving the 2022-23 Budget.
- ✓ Provide training for your new club Board---so all board members understand their roles, responsibilities and obligations.
- ✓ Hold a planning retreat with your 2022-23 Leadership Team, to set goals and action plans for the year. Invite club members to attend.

Consider these opportunities for positive change:

- ✓ Will your club modify its Bylaws to give it the flexibility granted by the 2016 Rotary Council on Legislation regarding membership, attendance and more? Something to discuss with your new board.
- ✓ How about surveying your club members? Find out what members love, what turns members off ask questions such as their recommended “3 things to improve the club experience (increase value of club to our Customers – club members)”.

Get your systems in place

- ✓ Assign someone to update the Club website and your club Facebook presence
- ✓ Meet with the people who prepare your club bulletin to discuss any improvements you might like to see implemented. For example, some club presidents write a weekly message in the club bulletin. If you are going to do this, start planning your messages.
- ✓ If your club has a tax-exempt Foundation or a Charity, meet with the elected leadership to make sure you understand their processes and key reporting dates. You and your club are relying on them to manage your club foundation/charity in accordance with state/provincial and national reporting requirements.
