FOR IMMEDIATE RELEASE:

Name of Rotary Club Announces New District Governor (or New Officers)

Body of message...customize your Club's info about new DG/Officers. Example below:

[City, State] — <Name of Club> is pleased to announce the appointment of <Full Name> as District Governor for Rotary District 5580 for <year of service.>

A District Governor provides leadership and support to clubs within the district and serves as the official representative of Rotary International. As District Governor, <Last Name> will act as a key liaison between Rotary International and local clubs, helping clubs advance Rotary's mission and community service initiatives.

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas and form meaningful, lifelong friendships.

Over time, Rotary's reach and vision gradually extended to humanitarian service. Members have a long track record of addressing challenges in their communities and around the world.

Whatever Rotary may mean to us, to the world it will be known by the results it achieves.

Paul Harris, Rotary founder

Our ongoing commitment

That commitment endures today through an organization that remains truly international. Only 16 years after being founded, Rotary had clubs on six continents. Our members now span the globe, working to solve some of our world's most challenging problems. We're not afraid to dream big and set bold goals. We began our fight against polio in 1979 with a project to immunize 6 million children in the Philippines. Today, polio remains endemic in only two countries — down from 125 in 1988.
