

ROTARY DISTRICT 5710
DISTRICT GRANTS POLICY
2024-25
District Governor
Tamara Sevcik
rev. Feb 2024

Herein are guidelines for managing the District Grants structure of The Rotary Foundation (TRF) in D5710. District Grants fund smaller, short-term activities that address needs in both our local community and communities worldwide and are funded by The Rotary Foundation from a portion of the funds our District's clubs donated to the Annual Program Fund (APF) three years prior.

Key Contact for questions and information on District Grants:

District Grant Highlights:

- Application Deadline: **August 31, 2024**
- Approval Notification: No later than September 30
- Projects cannot be started prior to receiving approval of grant application
- Funds Available: By mid-October (subject to receipt of funding from The Rotary Foundation)
- Provide a brief description of the project
- Explanation of which of the Seven Areas of Focus (or scholarship) the project will address
- Clubs may elect to earmark some or all of their District Grant Allocated Funds to a Global Grant project (click [here](#) for more info on Rotary Grants). The advantage to a club that chooses this is that their funds in a Global Grant structure can be matched 80% by The Rotary Foundation thereby significantly increasing their money in that Rotary project. Specifics to consider:
 - To elect this option, check "Earmark to a Global Grant" on the grant application and state, if known, the Global Grant number or where the grant is planned to take place.
 - The Global Grant may be for any Global Grant either led by your club or any other (even outside the District).
 - The club may assign these funds anytime within 2 years of the election date, i.e. your club would have until approx. Sept 1, 2026 to allocate the funds to a specific Global Grant. **There are no extensions.**
 - The risk: Once this election is made, the funds will never again be available for a District Grant and if the Global Grant the club is supporting is not approved by The Rotary Foundation or for whatever reason is not successfully initiated, the allocated funds will resort to generally available funds of D5710's District Designated Funds (DDF) managed solely by District leadership.

Available Funds: In 2024, the District will receive 25% of our District's total giving to the Annual Programs Fund-SHARE of The Rotary Foundation from 3 years prior (2021-22 giving of \$300,747), less a 5.0% expense charge, to fund District Grants. The total of \$71,427 shall be allocated for club District Grants and broken into two major areas: **Allocated Funds** and **Discretionary Funds**. These funds will only be distributed to clubs after approval of grant applications by the District Grants Sub-Committee subject to the terms and conditions as stated in this policy statement, the grant application form and related documents.

Allocated Funds: Every club will receive an allocation based on two qualifying criteria (**see allocation sheet attached**). Clubs may submit as many grant applications as necessary to apply for their maximum Allocated Funds.

- First, each club is allocated their pro-rata portion of 75% of the amount available for District Grants (\$53,571 total), based on their 2021-22 giving to the Annual Programs Fund.
- Second, every club qualified as a "Star Club" in the prior Rotary year (clubs that gave at least \$100 per capita to the Annual Programs Fund of The Rotary Foundation during the Rotary **year ended June 30, 2024**; *final designation and amount not known until July 2024*) will receive a pro-rata portion of 25% (\$17,856 total) of the amount available for District Grants, estimated to be approximately \$700 per eligible club. The exact amount shall be the \$17,856 allocation divided equally among 2024-25 qualified Star Clubs.
- Matching Funds Requirement: Both above funding pools must be matched 50¢ to \$1.00 (1:2) by the receiving club (i.e. \$1,000 received from District must be matched by \$500 from the Club).

Discretionary Fund: That portion of the District Grant allocation received from The Rotary Foundation that remains after the approval of Allocated Funds. These remaining Discretionary Funds are the result of some clubs not applying for grants or for not submitting an approved grant application.

The District Grants Subcommittee may distribute from Discretionary Funds monies for a project led by the District Governor of that grant year. A project application received from the District Governor will be considered alongside club Discretionary grant requests.

Discretionary Funds will be made available to all clubs that have fully utilized their Allocated Funds. Clubs without a pro-rata portion of Allocated Funds (i.e. that did not give to TRF in the 2021-22 year) are not eligible for Discretionary Funds unless they are a "Star Club" in the prior Rotary year (2023-2024).

Only one Discretionary Fund application may be submitted per club for a project performed by the club's members. Discretionary Fund applications may be for

the same project for which a club receives Allocated Funds. These applications will be reviewed and awarded solely based on the merit of the project.

Any club that sponsors an active Rotaract, Interact or Satellite club sanctioned under Rotary International, may submit **one** Discretionary Fund application for a project that entity is leading. This may be in addition to the sponsoring club's own Discretionary Grant request. Discretionary Fund applications for a sponsored entity are the responsibility of the sponsoring Rotary Club. The sponsoring Club will receive, disburse and account for all funds of these projects, and abide by all requirements of district grants. These applications will be reviewed and awarded solely based on the merit of the project.

NOTE: Discretionary Fund requests will be reviewed by the committee using more stringent criteria than requests for Allocated Funds. All Discretionary Funds requests will compete with other requests. The committee will evaluate projects based on scope and are looking for significant impact. Partnering with other clubs is encouraged.

Matching Funds Requirement: Discretionary Fund allocations require a minimum club funds match of 50¢ to \$1.00 (1:2) by the receiving club (i.e. \$1,000 received from District must be matched by \$500 from the Club). Higher than minimum club matches will receive special consideration in the selection process.

Project budget: List all expenses of the project and all sources of funding. Separate bank account required.

Responsible parties: List the name and contact information for the primary and alternate club members who will be responsible for project and grant management and reporting.

Conflict of Interest: The Rotary Foundation Code of Policies (Section 10.030) addresses business transactions where conflicts of interest may arise with TRF funds being paid in a way that may or may appear to benefit a Rotarian. Funds expended for the proposed project that would in any way, directly or indirectly, benefit a Rotarian must be clearly identified and explained.

Grant reporting and general requirements:

- After grants are approved, any changes to the project that would affect the expenditure of District Grant dollars must be submitted in writing for approval by the District Grants Subcommittee.
- Clubs will have 12 months from the date they receive District Grant funds to complete the project and submit a final report and produce an accounting of all project expenditures.
- Any club that has not reported and properly expended their District Grant funds within 12 months will be ineligible for further grants of any kind until a proper accounting is made.
- Prior to the June 30 end of the Rotary year in which a grant was received, a satisfactory District Grant Club Progress Report must be submitted to the Stewardship Chair (Timothy Moran, GStew5710@gmail.com), unless a final report has already been submitted.
- Clubs must be current in dues payments to Rotary International and District 5710
- Clubs must be current in all reporting for any Global grant for which it is a sponsor or co-sponsor.

- Clubs must provide a copy of its IRS 990 for the most recent tax year for which filing is due.
- Clubs must provide a signed Club Qualification Memorandum of Understanding.
- Clubs must have sent as least one active club member to a District Grants certification seminar within the last three years of the application deadline date.

- E. [Qualify](#) the district applying for the grant.
- F. All parties involved in the grant need to be in good standing with Rotary International and The Rotary Foundation.
- G. Limit each district to 10 open grants at a time (including global grants for which the district is the primary sponsor).
- H. Ensure that all project names comply with Rotary's policies for the use of its logos, emblems, and graphics (see section 1, Eligible Activities).
- I. Request any needed increases in the grant amount before the Foundation has paid any portion of the grant. The grant award cannot be changed after the grant is paid.
- J. Plan for contingencies. Your district may allocate up to 20% of its district grant funds for contingencies that may arise during the year, but all activities you add to the grant after it has been approved need to be approved by the Foundation before you can spend the money. Include the contingency fund in your spending plan and itemize contingency expenses in your final report.
- K. Include administrative costs. Districts may allocate up to 3% of the grant amount for grant-related administrative expenses, such as bank fees, postage, software, and an independent financial assessment.

4. COOPERATING ORGANIZATIONS

- A. Cooperating organizations are reputable, non-Rotary organizations or academic institutions that provide expertise, infrastructure, advocacy, training, education, or other support for the project. Universities that host scholars are not considered cooperating organizations.
- B. Cooperating organizations need to comply with all of the Foundation's reporting and auditing requirements and provide receipts and required proof of purchases.
- C. Any Foundation funds provided to cooperating organizations need to be used for specific project expenses, and the district needs to keep an itemized record of these expenses.

5. TRAVEL POLICIES

- A. Anyone whose travel is paid for by grant funds should make their own travel arrangements. [Rotary International Travel Service \(RITS®\)](#) can help.
- B. District grants can pay for the following budgeted expenses related to international travel:
1. Economy-class airplane tickets
 2. Transportation to and from airports and local travel related to implementing the grant
 3. The cost of inoculations or immunizations, visas, and entry and exit taxes
 4. Normal and reasonable luggage charges
 5. Travel insurance
- C. District grants do not pay for:
1. Expenses associated with optional stopovers before or after travel that has been approved
 2. Penalties that result from changes in personal travel arrangements, including optional stopovers
 3. Charges for excess baggage or shipping travelers' baggage or other personal belongings
 4. Refunds for expenses related to in-person events or meetings that were canceled or that participants were unable to attend
 5. Expenses related to mandatory quarantines
- D. The club or district that sponsors the grant should keep up-to-date emergency contact information and travel itineraries for anyone who travels using grant funds. Be ready to share this information with the Foundation when asked to do so.
- E. Travelers are responsible for:
1. Making travel arrangements promptly to avoid increasing the costs of travel
 2. Any expenses that exceed the approved travel budget
 3. Meeting medical requirements for international travel
 4. Abiding by Rotary International travel restrictions for particular countries (see item G below)
 5. Obtaining travel insurance
 6. Arranging and paying for any personal travel
 7. Reviewing information from the [IATA Travel Centre](#) to confirm that they obtain the necessary travel documentation and comply with all COVID-19 requirements and other regulations for inbound travel
- F. Each health care professional who provides services as part of the grant-funded activities is expected to have at least US\$500,000 in professional liability insurance coverage, known as errors and omissions liability. The participant obtains and pays for this coverage.
- G. Rotary International works with a global security advisory firm to maintain a [travel ban list](#). Because of safety concerns, the Foundation does not fund travel to these countries. If a country is added to the list while grant-funded travelers are in it, arrangements will be made for their immediate evacuation. Refusal to comply with these travel restrictions or evacuation orders will result in the Foundation canceling the grant and requiring the return of any funds that have already been disbursed. The Foundation cannot fund any grant project that involves international travel to a country on the list, even if the cost of travel is not part of

the project budget.

6. HOW GRANTS ARE FUNDED

- A. The Rotary Foundation funds district grants solely from District Designated Fund (DDF) allocations.
- B. A district may use up to 50% of its SHARE allocation to fund one grant per Rotary year.

7. PAYMENTS

- A. Grant funds will be paid only to the district or district foundation bank account that is listed in the grant application.
- B. District grant funds can't be released until the district grant from the previous Rotary year is closed.
- C. District grants are paid at the Rotary International exchange rate at the time of payment.
- D. Funds are not available after the implementation year closes, meaning that if sponsors don't meet all payment requirements by 31 May of the implementation year, the grant will be canceled.

8. REPORTING REQUIREMENTS

- A. Grant recipients report to the Foundation on how grant funds are used.
- B. Reports are submitted through the [Grant Center](#). Only complete forms will be accepted.
- C. The Foundation won't approve new grant applications from any grant sponsor that has an overdue report for any Foundation grant.
- D. The Foundation may, at any time, review grants, conduct audits, send monitors, require additional documentation, or suspend any or all payments.
- E. Districts are required to report the use of grant funds to their member clubs according to the terms of their qualification.
- F. Grant sponsors are required to keep copies of all receipts and bank statements related to how grant funds were spent for at least five years, according to the terms of their qualification and applicable laws.
- G. Grant sponsors that don't adhere to Foundation policies and guidelines in implementing and financing grant projects will be required to return all grant funds and may be barred from receiving other grants for up to five years.
- H. Final reports that document the disbursement of funds need to be submitted to the Foundation within 12 months after sponsors receive the payment, or within two months of the last grant money being disbursed. For grants paid to Argentina and Brazil, receipts for all expenses must be submitted with reports.
- I. All activities funded by district grants need to be completed within 24 months after the district transfers funds to the club or direct beneficiary.
- J. If more than US\$1,000 of grant funds remain after all grant activities are completed, the Foundation needs to approve their use for additional eligible activities. If you cannot spend these funds as approved, you need to return them to The Rotary Foundation, and they will be credited to the district's DDF.
- K. If US\$1,000 or less of grant funds remain after all grant activities are completed, they may be used for

activities that meet the district grant eligibility requirements without preapproval from the Foundation. Remaining grant funds in any amount may not be spent on expenses that are not related to the district grant.

- L. Grant funds of US\$1,000 or less that are returned to the Foundation will be credited to the World Fund.
- M. The following countries have their own requirements for returning funds:
 - 1. Argentina: Any unused grant funds of more than 10 Argentine pesos need to be returned.
 - 2. Brazil: Any unused grant funds of more than 100 Brazilian reals need to be returned.
 - 3. India: All unused grant funds need to be returned.

9. CANCELED GRANTS

- A. If a grant has been approved but not paid, all funds will be returned to the district's DDF balance.
- B. If a grant has been approved and paid, all grant funds need to be returned to the Foundation and will be returned to the district's DDF balance.
- C. Any interest earned on grant funds need to be sent to the Foundation.

10. CONFLICT OF INTEREST POLICY FOR GRANTS

- A. Ensuring integrity in Rotary Foundation grants requires that everyone involved avoid actual and perceived conflicts of interest.
- B. A conflict of interest occurs when someone is in a position to make or influence a decision about a grant that could benefit them, their family, their business, or an entity in which they serve in a paid or voluntary leadership or advisory position.
- C. All actual or perceived conflicts of interest need to be disclosed to Rotary grants staff during the application process. If you're not sure whether a situation presents a conflict of interest, you should disclose it.
- D. The Rotary grants staff or the Trustees will determine whether a conflict of interest exists in a particular case. If they conclude that there is or has been a conflict of interest in a grant, the grants staff will recommend to the Trustees an appropriate remedy to protect the integrity of the grant process. Remedies may include removing a member from a grant committee, declining a grant application, canceling an approved grant, or suspending a particular member, club, district, or cooperating organization from participating in Rotary grants.
- E. Some people are not eligible for grants or to benefit from any Foundation grants. They include:
 - 1. Current Rotarians
 - 2. Employees of clubs, districts, other Rotary entities (as defined in section 1.040. of the [Rotary Code of Policies](#)), or Rotary International
 - 3. The spouses; children or grandchildren by blood, legal adoption, or marriage without adoption; the spouses of those children or grandchildren, or parents or grandparents by blood of people listed above; and employees of agencies, organizations, or institutions that partner with Rotary International or the Foundation
 - 4. Former Rotarians and people with the familial relationships to former Rotarians described above, for

three years after their or their relative's membership ends

- F. Rotary members who serve on a club or district selection committee that is responsible for a grant-funded activity need to be completely transparent about their personal, family, or business relationships with any person or organization that would be affected by a potential Rotary grant. This includes, but is not limited to, any relationship with scholarship candidates, cooperating organizations, vendors, or other people or organizations that would benefit from the grant. Committee members need to notify the committee chair of any actual or perceived conflict of interest before the selection process begins, and the actual or potential conflict also needs to be disclosed in the grant application.
- G. Before a Rotary district, club, or member conducts business related to a grant-funded activity that involves a vendor being paid by a Rotary entity, a fair, transparent, and thorough request for proposals or a bidding process needs to be conducted to ensure that the best services are secured at a reasonable cost. Possible conflicts of interest may arise when a Rotary entity is considering business in which funds will be paid to a member, a provider of goods or services that is owned or managed by a member, an honorary member, or the people listed above who are ineligible for Foundation grants.
- H. All grant transactions need to be reviewed to confirm that there is no conflict of interest with vendors or payment recipients, including, among others, partner nongovernmental organizations, providers of goods or services, insurance companies, shipping companies, and educational institutions. Vendors with conflicts of interest may be used if the vendor provides the best product or service at fair market cost, as evidenced by a sales quote or an offer obtained through a fair, transparent, and thorough bidding process.
- I. For more information on Rotary's Conflict of Interest Policy, please see section 30.040. of [The Rotary Foundation Code of Policies](#).

11. SPECIAL CONSIDERATIONS FOR INDIA

- A. In addition to the other terms and conditions, grants that are paid in full or in part to a club or district in India need to follow the payment and reporting procedures below to comply with Indian law and the Foreign Contribution Regulation Act (FCRA).
- B. For general information about FCRA, go to fcrionline.nic.in. An FCRA-registered club or district is responsible for furnishing an FC-4 return along with the financial statements to the Ministry of Home Affairs, New Delhi, in a timely manner.
- C. All grant payments will be sent to bank accounts opened specifically to receive funds in Indian rupees or to a club-controlled FCRA account. Grant funds will not be released to a bank account in India unless all general payment conditions listed below have been met. Either the staff need to determine that enough funds are available from contributions made within India or the sponsors need to provide documentation showing that the bank account is registered under the FCRA. Otherwise, the payment will be placed in a queue and paid on a first-come, first-served basis only when more contributions (from within India) are made and enough funds are available. Grant sponsors need to ensure that funds received in a FCRA-registered bank account are not commingled with local funds. Funds won't be released until all sponsor contributions have been submitted to The Rotary Foundation and any payment contingencies have been met. Grant funds will be paid to the account provided by the grant sponsors.
- D. Progress reports on grant funds paid from Rotary Foundation (India) or the Rotary International South Asia office through 31 March are due by 31 May of the same year. Final reports are due two months after the project is completed. All progress reports need to meet all general reporting requirements as listed in section 8, Reporting Requirements. In addition, the grant sponsors need to:

1. Submit a progress report electronically in the [Grant Center](#)
 2. Inform the South Asia office that the progress report has been filed
 3. Upload the utilization certificate if grant funds have been used, along with a statement of receipt and payment for the grant amount, certified by an independent chartered accountant (including that person's membership number and unique document identification number); the utilization certificate must say whether it was Rotary Foundation (India) or the South Asia office that paid the grant funds
 4. Upload the bank statement or passbook (or a photocopy certified by the bank manager or a chartered accountant)
 5. Upload all bills, invoices, and receipts in the [Grant Center](#)
- E. If for any reason the grant funds were not used, include an original bank statement or bank passbook (or a photocopy certified by the bank manager or a chartered accountant) indicating the date on which the grant amount was credited and a statement explaining why the grant amount has not yet been used, even if it was received before March.
- F. Final reports need to meet all general reporting requirements listed in section 8, Reporting Requirements. In addition, the grant sponsors need to:
1. Submit a final report electronically in the [Grant Center](#)
 2. Inform the South Asia office that the final report has been submitted
 3. Upload the utilization certificate if grant funds have been used, along with a statement of receipt and payment for the grant amount, certified by an independent chartered accountant (including that person's membership number and unique document identification number); the utilization certificate must say whether it was Rotary Foundation (India) or the South Asia office that paid the grant funds
 4. Upload the bank statement or bank passbook (or a photocopy certified by the bank manager or a chartered accountant)
 5. Submit a bank reconciliation statement, if multiple grants were paid to a single Indian rupee or FCRA account
 6. Upload all bills, invoices, and receipts in the [Grant Center](#)
 7. Upload the undertaking that "all originals will be kept for a period of eight years and will be produced as and when required by Rotary Foundation (India) or the South Asia office" in the [Grant Center](#)
 8. Return all unused grant funds to the entity that paid the funds (Rotary Foundation (India) or the Rotary International South Asia office)
 9. Retain information about the people who benefited from the project, including photographs, newspaper clippings, and letters of appreciation, because it may be requested by Rotary Foundation (India) or the South Asia office

12. SPECIAL CONSIDERATIONS FOR THE PHILIPPINES

- A. In addition to the other terms and conditions, grants paid to a Rotary district or club in the Philippines require more documentation to comply with Philippine law.
- B. The Securities and Exchange Commission of the Philippines requires foundations to include supporting documents for all the projects that they have provided funding to when they file financial statements. You

can find more information in Securities Regulation Code 68, as amended. To comply, grant sponsors need to get certification from any of these people or organizations in the area where they have jurisdiction:

1. Office of the Mayor, stamped with an office seal
 2. Head of the Department of Social Welfare and Development, stamped with an office seal
 3. Head of the Department of Health, stamped with an office seal
 4. Office of the Barangay Chairman, stamped with an office seal

- D. You can get sample templates of the certification from the [South Pacific and Philippines office](#).
