

501c3 Foundation – Rotary Against Human Trafficking Foundation

The Rotary Club of CAAHT has established a 501c3, **Rotary Against Human Trafficking Foundation**, that can accept deductible contributions for any project with a focus on ending human trafficking. We have found that many corporations wish to support Rotary's efforts to fight human trafficking but need to make donations to a 501c3. All clubs in District 5710 are welcome to utilize this charitable foundation to accept deductible donations for their projects. For more information, please contact John Vandewalle at johnv@lumentouch.com, Faron Barr at fbarr@t-financial.com, or Patti Mellard at patti@keystaffing.com.
