## YOUR ROTARY MEMBER PIN

Recognized by Rotarians the world over, your Rotary pin remains unchanged as a proud symbol of membership.

## COMING UP

Tools and templates will be available online in the coming months. These resources will make it easy to apply our new look to your brochures, PowerPoints, and other print and digital communications.

### Why we're strengthening our image

For more than 100 years, Rotary has united leaders committed to applying their expertise to better their communities. Despite over a century of impact in communities around the world, Rotary does not get the recognition it deserves. We need to rethink how we tell our story so people everywhere understand what Rotary stands for, how we're different, and why it matters.

In 2011, Rotary embarked on a multiyear initiative of unprecedented scale to strengthen our image. In addition to expanding public understanding of what Rotary does, we want to motivate, engage, and inspire current and prospective members, donors, partners, and staff.

### What we've done

To tell our story better, we first need to define it. Based on extensive global research, we:

**Defined our essence**  
**to identify how Rotary is different**  
**from other organizations**

**Brought our values to life**  
**to ensure our actions support**  
**our words**

**Established our voice**  
**to reflect our distinct character**

**Clarified how we present**  
**our offerings so people**  
**understand what we do and**  
**how they can engage**

**Refreshed our visual identity**  
**to energize our look and feel**  
**while celebrating our heritage**

### What we need to do

Bringing our story to life is our next charge — and one that requires champions across levels, groups, and functions.

We are Rotary, and we have a great story to tell.

**It's up to all of us to protect,**  
**promote, and deliver on that story**  
**in all our interactions.**

This guide will help you apply our new look and voice. More resources will be available online in the coming months. Look for new tools and templates that will help you apply our new look to your brochures, PowerPoints, and other print and digital communications.

Through a unified Rotary image and message, we're not just enhancing our reputation, we're elevating the entire Rotary experience.

---

## AN UNPRECEDENTED EVALUATION OF OUR IMAGE

---

Our global research revealed three insights.

---

## FRAMING OUR STRENGTHS FOR CLARITY AND IMPACT

---

Our research insights define who we are (responsible leaders), what we do (connect), and why it matters (community impact). Validation research revealed how to articulate these strengths in a compelling way.

---

**Rotarians are responsible leaders — both socially and ethically**

---

---

**Define leadership by mindset and approach, not labels or titles**

---

---

**Connecting has and always will be the driving force behind Rotary**

---

---

**Highlight connections and communities, not the individual**

---

---

**It's not just about global impact — we impact communities on a global scale**

---

---

**Clarify the type of impact Rotary makes (i.e., community impact scaled globally; lasting change)**

---

## What are “values?”

Values drive our behavior. They represent our beliefs, what we do, and how we act.

## How did we define our values?

Our values are rooted in guiding principles that have always defined Rotary. Now, we want to bring our values to life by showing how we demonstrate them in communities around the world.

### OUR VALUES

**Fellowship and  
Global Understanding**

**We build lifelong  
relationships**

**Ethics and Integrity**

**We honor our  
commitments**

**Diversity**

**We connect diverse  
perspectives**

**Vocational Expertise,  
Service, and Leadership**

**We apply our leadership  
and expertise to solve  
social issues**

**What is our voice?**

Our voice is the unique tone and style in which we communicate.

**Why is a distinctive voice important for Rotary?**

There is no organization quite like Rotary. By using a unified voice in all our interactions, we ensure our communications capture our distinct character — and how people experience Rotary. By speaking, writing, and designing in one voice, our communications will look, feel, and sound unmistakably like Rotary.

**How should we use our voice?**

Our voice attributes serve as a guide for how we speak, write, and design. Use them as criteria to evaluate your communications. A variety of visual and verbal tools (e.g., copy, imagery, information graphics, etc.) can help us infuse our voice into all of our communications. For details about how to apply visual identity elements, see pages 12-30.

**OUR VOICE IS...****Smart****Compassionate****Persevering****Inspiring****THIS MEANS...**

We look at problems from different angles and apply our expertise to address social issues in ways others cannot. We are insightful and discerning.

Tackling the world's toughest challenges requires empathy. We champion real people and stories that are relatable and universal.

We find lasting solutions to systemic problems at home and abroad. We speak with clarity and conviction.

Motivated by the enduring connections and positive change we bring to communities and the world, we encourage others to take action. We convey hope, enthusiasm, and passion.

**OUR COMMUNICATIONS ARE...****Knowledgeable  
Perceptive  
Confident****Thoughtful  
Sincere  
Engaging****Bold  
Purposeful  
Courageous****Upbeat  
Hopeful

# Our Essence and Organizing Principles

## Our essence provides clarity

Three core ideas provide the clarity and focus to help every Rotary member answer the question, “What is Rotary?”

- 1 Rotary **joins leaders** from all continents, cultures, and occupations.
- 2 We **exchange ideas**, bringing our expertise and diverse perspectives to help solve some of the world’s toughest problems.
- 3 And we **take action** to bring lasting change to our communities around the world.

By centering our communications on our three core ideas, we reinforce what Rotary stands for, how we’re different from other organizations and why it matters today. This approach enables us, as individuals, to construct a powerful elevator speech — and collectively to tell a compelling and cohesive story.

## What are Rotary’s organizing principles?

Our essence also provides a system for how we organize and present ourselves to the outside world. By mirroring the way people experience Rotary, these principles clarify why and how people should engage with us and drive understanding.

### Engagement Level

**EXCHANGE IDEAS** is the next level of engagement. It encompasses events and programs where people come together to discover shared interests, connect diverse perspectives, and foster global understanding.

**TAKE ACTION** encompasses service-related activities for highly engaged Rotarians, partners, and volunteers at both the local and global levels.

#### Calls-to-Action

Together, our organizing principles communicate what Rotary does. Individually, they are also calls-to-action. In other words, they communicate that, through Rotary, you can “Join Leaders,” “Exchange Ideas,” and “Take Action.” They are intended to supplement, and not serve as, primary headlines and messages.

When developing communications, think about whom we’re targeting and what we’re asking them to do. Here are some simple things to keep in mind when applying our organizing principles as **calls-to-action** or a **Rotary-wide sign-off**.

Construction for Calls-to-Action

Examples

# What we call ourselves

## We are Rotary

“Rotary” is the connective thread that binds Rotary International and The Rotary Foundation. Rotarians naturally refer to our organization as “Rotary.” Embracing “Rotary” as our communicative name is a simple, yet critical, step to unify our organization and strengthen our message.

ROTARY	ROTARY INTERNATIONAL	ROTARY FOUNDATION
OUR COMMUNICATIVE NAME	OUR LEGAL NAME AND SUPPORT ARM	OUR CHARITABLE ARM
What we call ourselves when referring to the enterprise as a whole in all communications	How we refer to our global association of 34,000 clubs and the governance and offices that support them	What we use when referring to Rotary’s fundraising and grant-making arm, when appropriate and/or legally required

Focused, purposeful, inspiring,  
with a touch of gold.

Our visual toolkit contains the basic elements in our visual system.

It includes our logos, color palette, typography, iconography, and information graphic styles, along with photography style and suggested subject matter.

Each element is designed to work in harmony with the others while providing flexibility within a framework. When combined, they clearly convey our active leadership, our persevering spirit, and our compassion.

Masterbrand Signature (Our Official Logo)

Mark of Excellence (Our Wheel)

Metaphorical

For many years, our Rotary wheel stood alone as our logo on signage and communications materials. Although the words Rotary International were embedded in the wheel, they were hard to read from a distance. As a result, the general public did not always recognize Rotary's involvement in a project or activity.

That's why we decided to expand our official logo to include the word "Rotary" next to the wheel. This is our official logo and our masterbrand signature, which should be used whenever possible.

The Rotary wheel is our mark of excellence. In addition to being a component of our official logo, it may be scaled up for greater impact and used separately but in close proximity to the masterbrand signature.

For example, you could display a large Rotary wheel on the front of the podium at an event with the official logo showing above on a screen. Or you could use the scaled-up mark of excellence on the front of a brochure and the logo on the back. The design examples on pages 16, 35, and 40 show some easy ways to follow this guideline.

### Voice and Visual Rotary Guidelines

The full-color Rotary signature is our preferred version for use in digital environments and whenever printing with at least two colors. The word "Rotary" should appear in Rotary Royal Blue or white followed by our wheel in Rotary Gold, unless two-color printing is not possible or the background renders the gold illegible.

One-color variations of the Rotary signatures are supplied in black, Rotary Azure, and white for reverse type. These can be applied for one-color printing or on very complex backgrounds that may hinder legibility or appearance of colors.

Use the appropriate color version to maintain the best contrast and legibility: positive for light or white backgrounds and reversed for dark backgrounds.

Comparable metallic versions of Rotary colors may also be used for special circumstances.

**For more details regarding our color palette, see pages 23-24.**

The Rotary wheel — our mark of excellence — should appear in Rotary Gold, unless two-color printing is not possible or the background renders the gold illegible. When printing on a white background, be sure to use the correct color formulas, as shown on page 24. Sufficient ink coverage should produce a fully legible wheel as shown on the right.

One-color variations are supplied in black, Rotary Azure, and white for reverse type. These should be applied mainly for one-color printing.

Comparable metallic versions of Rotary Gold may also be used for special circumstances.

For more details regarding our color palette, see pages 23-24.

## Using the Rotary Wheel — Our Mark of Excellence

### OUR LOOK

### Voice and Visual Rotary Guidelines

#### Use it BIG

Our mark of excellence is a symbol of our leadership. It should appear large on high-impact communications to make a bold statement and promote a sense of urgency.

#### Keep it near the masterbrand signature

The mark of excellence should appear with one of our signatures, and not appear alone. See the design examples on pages 31-40 for ideas on how to keep these elements in close proximity.

#### Avoid overuse

Reserve for covers or single-page marketing materials such as posters or advertising, if appropriate. Refrain from repeating it too many times within any communication or using it in subordinate situations such as interior spreads or secondary web pages.

For color options, refer to page 15.

## Signature System for Clubs, Districts, and Zones

We have created special signature systems that allow you to identify your club, district, or zone on all your communications materials. In the coming months, we will provide a tool for every club to create its own signature. Rotary licensees will also be able to feature these signatures on merchandise.

### Rotary Clubs

The Rotary club signature consists of the masterbrand signature plus the club name and should be used instead of the masterbrand signature on club-level communications.

The preferred configuration is Rotary Club [of/at] [Location], with the word Rotary coming first.

Two acceptable alternatives have been provided to cover variations of club names.

The positioning and size relationship between the Rotary wordmark and the wheel are fixed and should not be altered.

### Districts and Zones

District and zone signatures consist of the masterbrand signature plus the district or zone number and should replace the masterbrand signature on district and zone communications.

When creating, use the same specifications as the club signatures above.

# Logos Signature System Partners

## OUR LOOK

## Voice and Visual Rotary Guidelines

17 January 2014

21

Partners are external organizations that collaborate with Rotary to develop, support, and execute programs and service projects.

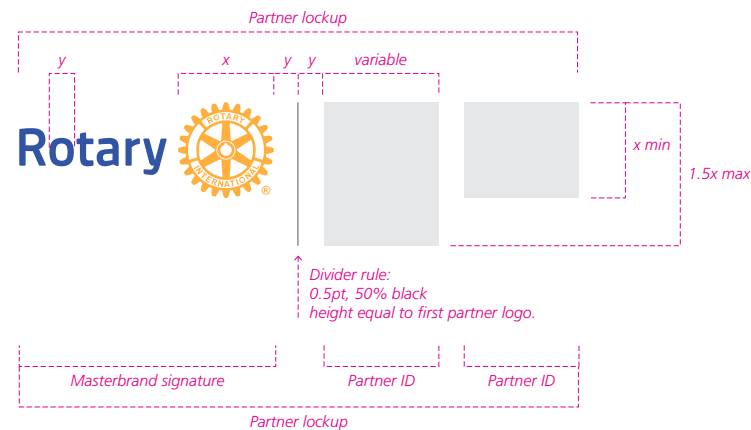

To create partnership lockups, follow the guidelines illustrated on this page.

Single or multiple partners may be displayed within the lockup, as long as consistent spacing of elements is maintained.

The minimum height for partner logos is equal to the Rotary logo, while the maximum height cannot exceed 1.5 times the Rotary logo. The width of partner logos may vary, but should not visually overpower the masterbrand signature.

## PARTNERS

### Construction

### Examples: Strategic, Project, or Service Partners

### Things to Avoid

Make sure the Rotary logo is as prominent as the partner logo. Keep the spacing equal between the partner logos and make sure the partner logo is no higher than the Rotary logo.

### Example: Centers for Peace

### Example: Fellowships

International Fellowship  
of Birdwatching Rotarians

### Masterbrand signature

Use the masterbrand signature on a background that has sufficient contrast.

Use a two-color masterbrand signature when printing in full color.

Keep the masterbrand signature clear of outlines, special effects, or other graphic elements.

Keep the masterbrand signature free of a holding shape and use the correct typeface.

Keep all elements undistorted and in the right order.

### Mark of excellence

Keep the mark of excellence whole — never cropped.

Use Rotary colors specified on page 15 for the mark of excellence.

Size the mark of excellence correctly when using it with the logo, as shown on page 13.

Make sure the mark of excellence is completely legible.

Place the mark of excellence away from the logo.

We are smart, compassionate, persevering, and inspiring, and we've chosen a set of colors to express those attributes.

A few shades of **BLUE** and a touch of **GOLD** are our predominant colors. To create a unified look and feel, these leadership colors should be used more often than other colors in our palette. Use Rotary Azure most often, and reserve Rotary Sky Blue and Rotary Royal Blue to complement and highlight. Rotary Gold should be used as the "jewel" on a page.

Use secondary colors sparingly to create occasional emphasis or differentiation within a series, if applicable.

Pastels and neutrals provide the necessary flexibility when working with backgrounds, layouts, and hierarchy of information, without being overbearing.

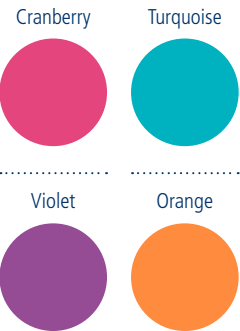

All colors have been carefully chosen to complement one another in most situations. They should be used in their pure format, never screened.

Comparable metallic versions of these colors may be used for special circumstances, such as signage or pins or when using foils for awards and certificates.

Use colors that offer sufficient contrast for readability.

Use colors that complement one another; use leadership colors for large areas.

Keep the background the same color rather than creating gradients.

## Style Overview and Subject Matter

### OUR LOOK

### Voice and Visual Rotary Guidelines

17 January 2014

28

Our photography focuses on connections and community.

Whenever possible, try to use shots depicting multiple Rotarians of diverse ethnicities and age ranges. Refrain from focusing on an individual, unless he or she is profiled or featured in a story.

If shot indoors, keep backgrounds blurry or nondescript so unattractive objects like drop-ceilings, dated chandeliers, exit signs, etc., are rendered less visible.

When beneficiaries are depicted, they should appear actively engaged with Rotarians or like active participants in a scene, not incidental observers in the background.

When choosing or shooting new photography, aim for the following:

- editorial or reportage style (fly-on-the-wall)
- candid poses or natural portraits
- real, natural, sincere, endearing expressions
- demonstrations of active leadership and impact
- special moments of camaraderie, friendship, warmth, and celebration
- movement and momentum
- rich full color, or black and white
- short depth of field with selective focus (people shot through crowds)
- wide angles
- natural backgrounds and real context (not solid portraiture backdrops or studio photography)

When choosing or creating iconography and information graphics, look for styles that are simple, modern, and informative.

## Areas of Focus Icons

### AREAS OF FOCUS

Rotary has identified six areas of focus that reflect critical humanitarian issues and needs that Rotarians are addressing worldwide. Each icon to the right represents one facet of Rotary's six areas of focus:

- 1 Peace and conflict prevention/resolution
- 2 Disease prevention and treatment
- 3 Water and sanitation
- 4 Maternal and child health
- 5 Basic education and literacy
- 6 Economic and community development

Show all six icons together uniformly in one Rotary neutral color.

When discussing one specific area of focus, highlight that icon using any Rotary leadership or secondary color. All other icons should remain neutral.

When all areas are being discussed simultaneously, highlight all six icons using a single Rotary leadership or secondary color.

Use the same color to highlight the icons within a single document or communication.

Do not color code the six areas of focus, and do not alter proportions or the shape of the circle housing the symbols.

## CONNECTING FOR COMMUNITY

The top two reasons people join Rotary are to give back to their communities and to connect with like-minded leaders and friends. Our members stay with Rotary year after year for the same reasons. What motivated you to join Rotary? What have you set out to accomplish with your club and as a Rotarian?

## OUR COLLECTIVE IMPACT

Rotary brings together people like you — leaders from all cultures and occupations who want to use their distinct expertise for good. People whose sense of responsibility inspires them to give back to their communities. Who step forward to tackle the toughest challenges — and persevere to create lasting change in communities around the world.

Together, we empower youth, improve health, promote peace, and advance our communities in all corners of the globe.

With 1.2 million members worldwide, our global community's impact has never been greater — and it continues to grow.

When Rotarians come together and commit to a cause, like our PolioPlus initiative, the magnitude of our impact is clear. And with the ongoing support of Rotarians like you, we will continue the fight to End Polio Now.

You joined Rotary because you want to make a difference. Because you believe in our motto: Service Above Self. Because you're committed to integrity and making change happen, and because the areas that we focus on are important to you.

## THE FOUR-WAY TEST

Of the things we think, say or do:

- 1 Is it the TRUTH?
- 2 Is it FAIR to all concerned?
- 3 Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4 Will it be BENEFICIAL to all concerned?

## HOW TO...

# FIND A GRANT PARTNER

Rotarians in Maputo, Mozambique, needed an international partner to help finance a US\$55,100 project to upgrade a sanitation system and install a water tank at a school. They turned to their district contacts and soon learned of a Danish club seeking a host partner.

"Our club was looking for a Foundation project, as we had funds to use," says Stein Schierenbeck, a member of the Rotary Club of Skanderborg, Denmark. "Being a club in the pilot district for the new **global grants**, we looked for areas of need within another pilot district." Once the clubs connected, they obtained a Rotary Foundation global grant to complete the project. School officials and the contractor agreed to maintain the new facilities, meeting the grant's sustainability requirement.

### IF YOUR CLUB OR DISTRICT IS STRUGGLING TO FIND A PARTNER FOR AN INTERNATIONAL SERVICE PROJECT, CONSIDER THE FOLLOWING TIPS:

#### Be social.

Join RI's **LinkedIn group**, which helps Rotarians share ideas and publicize project needs. You can also publicize your quest for a grant partner on your personal or club Facebook pages.

#### Talk to your district governor-elect.

The International Assembly is a great opportunity to share project proposals.

#### Attend an RI Convention.

Ask convention goers from your district to bring a list of projects to share with potential partners. The RI Convention is the ideal place to start collaborating.

#### Visit a project fair.

These annual regional events are hosted by Rotary districts worldwide to encourage international friendship and collaboration on service projects. For information about upcoming project fairs, contact [rotary.service@rotary.org](mailto:rotary.service@rotary.org).

#### Search the Web.

Most districts have their own websites that help bring clubs and districts together on joint projects.

#### Visit Rotary's new website.

Scheduled to launch soon, Rotary's new site will have tools to help you find and connect with partner clubs and obtain resources for your projects. Contact [rotary.service@rotary.org](mailto:rotary.service@rotary.org) for more information.

We recently completed an initiative to Strengthen Rotary that has resulted in new signature systems, color palettes, and other changes to our visual identity. These guidelines are designed to help you adapt to our new look and understand the thinking behind it. In addition to specific requirements for the use of our signatures and mark of excellence, we've included some examples of how to use these assets on signage, banners, and merchandise.

We realize that you may not be able to implement the new look immediately. But as you deplete your stock, we ask that you follow these guidelines in creating new items so that Rotary clubs and districts can present a fresh and unified look to the world.

Working together, we can ensure that Rotary achieves a more prominent and recognizable image in communities throughout the world.

### Registered trademark usage

ROTARY, ROTARY CLUB, ROTARIAN, MARK OF EXCELLENCE, ROTARY SIGNATURE, INTERACT, ROTARACT and other Rotary marks are trademarks owned by Rotary International. Our official licensees may use these marks under guidelines set forth in the *Rotary Code of Policies* provided they reproduce the marks accurately and clearly.

Whenever possible, we ask that you use the registered trademark symbol ® in conjunction with the marks on

your Rotary-licensed merchandise. Before you produce any new goods, contact our Licensing staff at [RILicensingServices@rotary.org](mailto:RILicensingServices@rotary.org) so that we can discuss if the ® symbol will reproduce clearly on those items.

We're recommending the use of some fonts that require a license. If you are using those fonts, make sure you have the proper licenses and permissions. We also suggest alternate fonts that do not require a license.

Make sure you have the proper permissions before reproducing photographs or other art on any of your Rotary-licensed merchandise.

# Message to the Rotary World Magazine Press

## ADDENDUM

## Voice and Visual Rotary Guidelines

17 January 2014

55

The Strengthen Rotary initiative resulted in the creation of new signature systems, color palettes, and other changes to our visual identity. These guidelines help you adopt our new look and understand the thinking behind it.

We ask that you use our new official Rotary logo on the cover of your magazine — preferably near

the bottom of the page — the homepage of your website, and any collateral materials that you produce. We also ask that you not use the wheel as the letter “O” or place it within the title of your magazine. On pages 31-53, you’ll find some examples of how to use our new visual identity on your magazines and other materials.

We know that some magazines have already begun to apply our new visual identity. By adopting and promoting this new look, you will greatly support Rotary’s effort to achieve a more consistent and recognizable image throughout the world.
