2016-17 Club Visits

Often, clubs present a gift to the Governor and Spouse. Jennifer and I would like nothing better than for your club to make a donation to our Rotary Foundation in honor of our Foundation's Centennial.

Jennifer and I adhere to a vegan diet. We would like your club to eat what they normally eat during our visit. We will likely also be hungry, so if some of the food options were compatible with our diets we would appreciate it.

--Vegans eat nothing that comes from anything with a face.

--I can't do anything spicy, cheesy, fried, or acid (tomatoes), so I'll just graze on what's available. A salad or dry baked potato is a safe choice.

When we visit your club, we are not the "Rotary Police." As Governor, I am a liaison between your club and Rotary International. I may encourage you to consider "best practices" and challenge you to participate in Rotary ventures, but (of course) your club will decide what you are going to do.

I would also like to meet with the Board and officers for about an hour or so, preferably a couple of hours prior to our club visit (or the evening before on long trips.)

Events to remember include:

2016 District Conference, Norman, April 29-May 1

Grants Certification training April 29

District Assembly, Ada Public Library, May 21, 2016
