

ROTARY CLUB MONEY/BUDGET CONSIDERATIONS

8/16

It is not the intent that Rotarians administering the YE program spend their own money for administering the program. Expenses of telephone, office supplies, copies, travel to the biannual SCRYE meeting are examples of bona fide expenses.

District and club should budget to support costs associated with sponsoring outbound and inbound Exchange students. Costs listed below are examples only and will vary depending on the circumstances of the exchange (distance traveled, money exchange rates, etc.)

PARENTS:	Administration fee	\$	500
	Physical, shots, misc.		500
	Insurance		900-1500
	Air travel		1200-2400
	Allowance (from parents 10 months)		1000
	Host gifts		200
	Emergency fund (to be returned to student)		400
	Fun travel		400-2500

			\$5000- 8000
CLUB	OUTBOUND EXCHANGE		
	Banners (5 – 100)	\$	10
	Going away gift to student		100
	Birthday, Christmas, stay in touch		40
	Meals with club (student and parents)		50
			<hr/>
			\$ 200
	INBOUND EXCHANGE		
	Monthly allowance \$100-150 (150 - preferred)	\$	1000-1500
	Christmas/birthday/graduation		100
	Misch expenses and club meals		500
	Additional sports/school/graduation/trip help		<u>???</u>

			\$ 2100

It is really helpful to include in your club budget \$200 for the YEO or a club representative to attend training at the SCRYE meetings held in January with 200+ exchange students.
