WHAT WILL THE DISTRICT DO FOR YOU ?

The District committee will send materials for recruiting students, give programs for your club, interview, train and place your home town students. We will stay in touch with them while overseas, and give them help with reintegration when they return home. We reassure parents before after and during their stay abroad, and help them solve problems during these times.

When you host a student we do the placement, give them orientation, stay in touch with them during their stay, help them and your club and hosts with any problems while they are here, and meet with them once a month for various activities. **BUT MOST OF ALL WE WILL COME AND GIVE YOUR CLUB TRAINING ON THE RESPONSIBILITIES OF EVERYONE INVOLVED WITH THE STUDENTS WHILE THEY ARE HERE.**

WHAT CAN YOU DO FOR THE DISTRICT?

RECRUIT !!!!! RECRUIT!!!! RECRUIT!!!!!!RECRUIT!!!!!! all year long in all the places you go. **ROTARY AND NON-ROTARIAN** young people are eligible for this program. We cannot take Oklahoma students into the global economy without exposing them to the world. Oklahoma needs this connection to the rest of the world, and the world needs the connection to Oklahoma.

If you have no outbound students every year or every other year, then **HOST!!! HOST!!! HOST!!** This allows the students in your schools and your families to rub elbows with people from around the world. It broadens their views and promotes world peace through their learning that people are people no matter where they are from.

Please start the practice of having your International chair or your Youth Exchange person serve 3 year terms. One year to learn, one year to know, one year to train their replacement. This will keep our program going from year to year and get all or our clubs started in the program. With 33 clubs, we should have at least 10 outbound and 10 inbound students.

WHAT DOES THIS DO FOR YOU?

IT INVESTS IN THE FUTURE OF YOUR WORLD FOR YOU, YOUR CHILDREN, AND YOUR GRAND CHILDREN.....AND TO TOP IT ALL OFF IT IS FUN!!!!!!

One day I joined Rotary and became a member. Two years later, I hosted a Rotary Exchange student, and I became a **ROTARIAN**.
