Date: Friday, November 16, 2018 7:11:01 AM

Rotary Club Name * Rotary Club of McKinney Sunrise

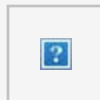

Service Project Name * All Abilities Playground

Service Project Description *

The Rotary Club of McKinney Sunrise along with the support of the McKinney Rotary Club raised approximately \$500,000 to design and build an all Abilities Playground in partnership with the City of McKinney Texas. This all abilities playground is located in Bonnie Wenk Park in McKinney, Texas. We have asked the two Interact Clubs (Interact Club at Boyd High School and at McKinney North High School) to assist our Rotary Club members with the Grand Opening activities that are planned in March of 2019. Members of both Interact Club members will assist children with special needs to learn about the special design features of the many playground components that this playground offers to children. Club members will also undertake a fund raising project that will provide special interpretive signage to provide instructions about the special features of this playground.

Project Start Date * Saturday, March 16, 2019

Project End Date * Saturday, March 16, 2019

Project State Time * 8:00:00 AM

Project End Time * 4:00:00 PM

of Volunteers Needed * 50

What will the Volunteers do? *

Interact Students will provide printed All Abilities information to the many families and guests who will be invited to attend the Grand Opening of the All Abilities Playground. Interact Students will also greet visitors and families to the Grand Opening of this special playground. Both Interact Clubs will have an Interact information tent with information about their Interact Club and their activities to promote their Interact Club. During the Grand Opening Interact Club members will provide refreshments to the many invited guests and visitors to our Grand Opening. The value of the Interact club support is 50 students times 8 hours times \$15/h equals \$6000.
