Join an Interact club and develop leadership skills while helping others.

Interact clubs are self-governing and financially independent, making it possible to choose and carry out service projects that you care about.

Meet youth from around the world — and in your own school or community — who are interested in making the world a better place.

With more than 468,556 Interactors in over 159 countries and geographical areas. Interact is a worldwide phenomenon!

Interact clubs carry out two community service projects each year, including one that furthers international understanding and goodwill.

Interactors are donating relief supplies to victims of natural disasters, organizing fundraisers to purchase books for needy schools, and volunteering their time and energy in the community.
