

Rotary
District 5830

District Showcase

Introduction

The District Showcase is designed to spotlight the work happening across the district by giving each District Chair a brief opportunity to share key initiatives, priorities, and ways clubs can get involved. Following these short presentations, attendees are invited to connect one-on-one with Chairs to ask questions, explore ideas, and discover resources tailored to their club's needs.

PDG Carolyn Franks

Pittsburg Rotary Club

Rotary Action Group for Blood and Organ Donation

Give Blood = Save 3 Lives

Key Reasons to contact District Chairs

- **Resources and Support:** They can connect clubs with necessary resources and help resolve internal issues.
- **Best Practices and Information:** They share insights from other clubs, promoting innovative project ideas and effective operational methods.
- **Communication Bridge:** District chairs serve as vital links between individual clubs and the district, keeping clubs informed of wider initiatives.
- **Membership Growth:** They offer training and strategies for recruiting new members.
- **Networking and Collaboration:** They encourage collaboration between nearby clubs for large projects and joint events.
- **Recognition and Motivation:** They provide recognition for accomplishments, which boosts morale
