

GOVERNOR'S VISIT with procedures and CALENDAR NOTES

1. **The District Governor** will meet with the Club Board 1 hour before regular club meeting begins; exceptions for this will be to meet with Club Board the evening before for Sunrise/Breakfast clubs.
2. **Club Visits are posted on the District Calendar. Requested changes** should be emailed to Shirley Pinnix Evans, District Administrator at rotary5830da@gmail.com at your earliest convenience. Upon request, meetings can be virtual. If you need assistance setting up the Virtual Meeting please contact Shirley Pinnix-Evans at 903-787-8275.
3. On Club visit dates, the **District Governor** will give the program. Please allow 30 minutes for the program.
4. The **District Governor** would like to attend as many Club Events as possible through the 2026-2027 Rotary year. Please communicate with DA Shirley about the time, date and location of your club projects and fundraisers as soon as they are determined. DA Shirley can publish the event date on the District 5830 Website calendar under Upcoming Events. Our Public Image Chair can post on the District Facebook page.

District 5830 District Governor Official Visit

In an effort to make the official visits to your clubs more than just sharing my views on Rotary and the opportunities and challenges I see for our district and clubs, I am asking you to prepare for me some materials to review at least two weeks prior to my visit. I will begin my visits in earnest in mid-July, so you will have the opportunity to share your vision and goals with your club before I come. Most of what I am asking for can be compiled prior to your installation as club president.

- **Club Goals for 2026-2027.**
- How you are planning to implement and accomplish your goals.
- **Membership Growth Plan-** we can discuss challenges and opportunities for attracting new members.
- Plans for achieving **The Rotary Citation.**
- Plans for supporting the **Rotary Foundation- Annual Fund, Polio Plus and the Endowment Fund.** This will include fund raisers and new ideas for raising funds.
- Plans for celebrating **World Polio Day** in October.
- List of **Service Projects** you have lined up for 2026-2027 and projected outcomes. What is your club known for and most proud of?
- How you are implementing the tracking of hours of service and funds raised by your club each month to measure the impact your club has on your community. This will be reported to RI.
- Your plan for improving the **Public Image** of Rotary and your club specifically in your community.
- Lastly, any issues of concern or needs you have and how your Club's Board works to solve them. We can look at how the District Governor and/ or District Committees might be of assistance and service to you.

Please send this information and material to me at my email address or let me know if you have questions.:

Diane Kavanaugh

District 5830 Governor Elect 2026-2027
