## WHAT IS RYLA

While RYLA (Rotary Youth Leadership Awards) in some Rotary Districts is a week long camp, District 5890 condenses the camp into an intense weekend. RYLA is a Rotary International awards program that falls within the New Generations Lane of Service. It is an “award” presented to 10th and 11th grade students for their past and present leadership and service activities. The camp is intended to build upon those qualities of leadership, ethics and communication that the student already possesses. The camp reinforces servant leadership, high ethical standards and builds life long friendship amongst the campers, coaches and Rotarians.

RYLA features outstanding speakers, team building exercises, leadership opportunities, Ropes course mixed with chanting and lots of fun!

RYLA is an experience of a lifetime!
