# SAMPLE RYLA INTERVIEW RATING SHEET

The following represents a sample scoring card that **may be** used by local Rotary Clubs to evaluate potential RYLA participants. **An interview is NOT required** by the District RYLA committee, nor do we need to see the individual answers. These questions are provided only as a tool for the local club. The screening process should be highly selective due to a limited number of RYLA camp positions available.

**Rotarians, you may ask that the Interact teacher sponsor evaluate the applicants based on the rating sheet below.**
