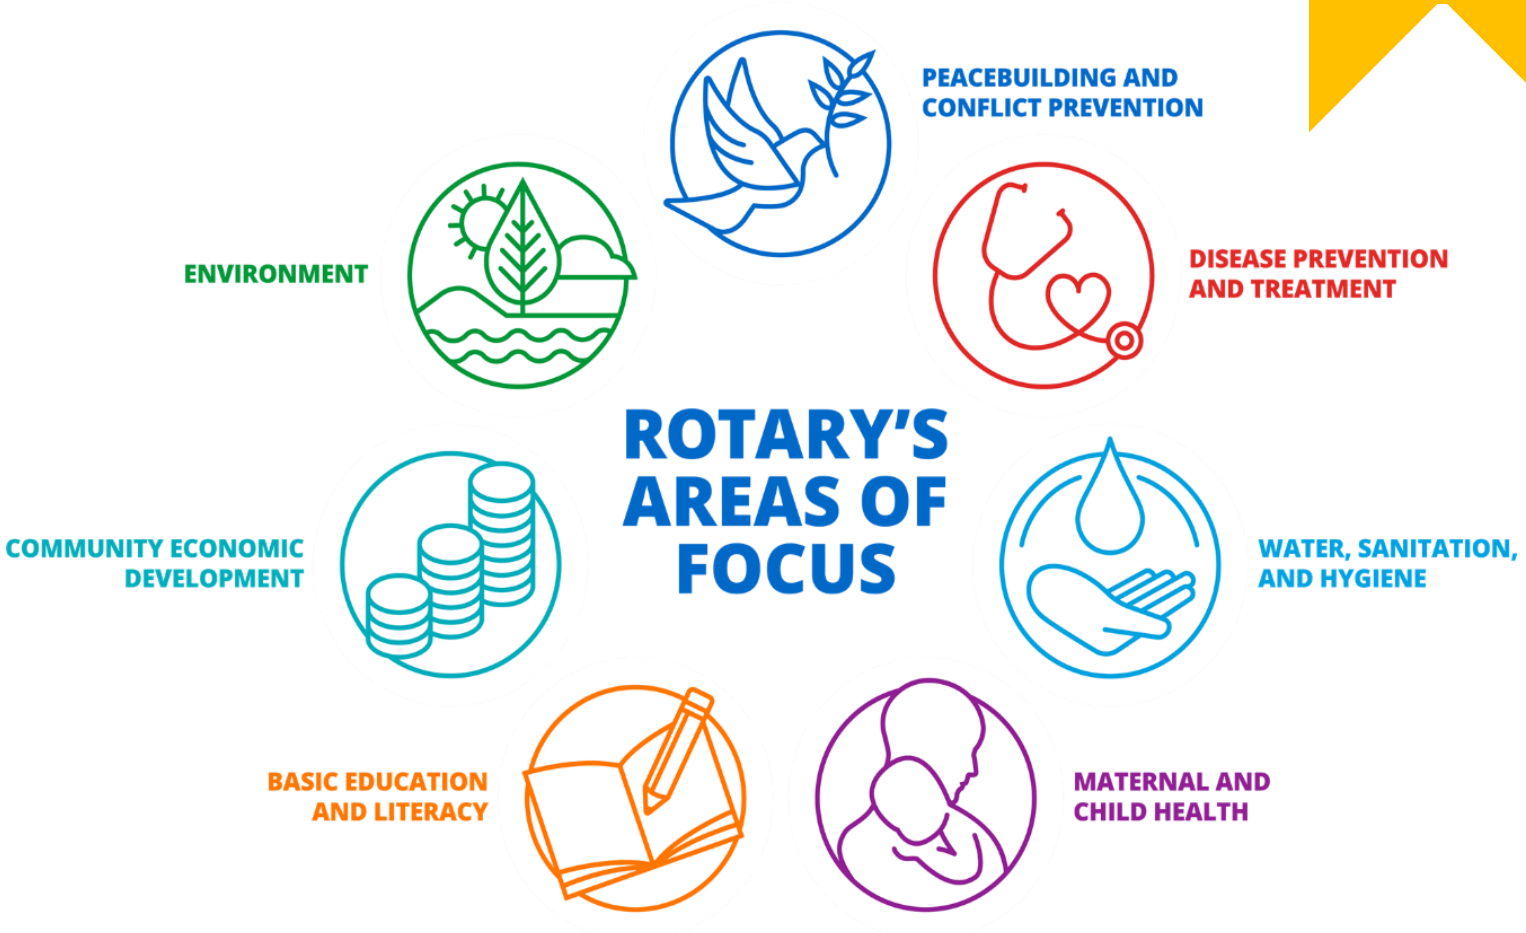
2022



2021-2022 Rotary District 5910

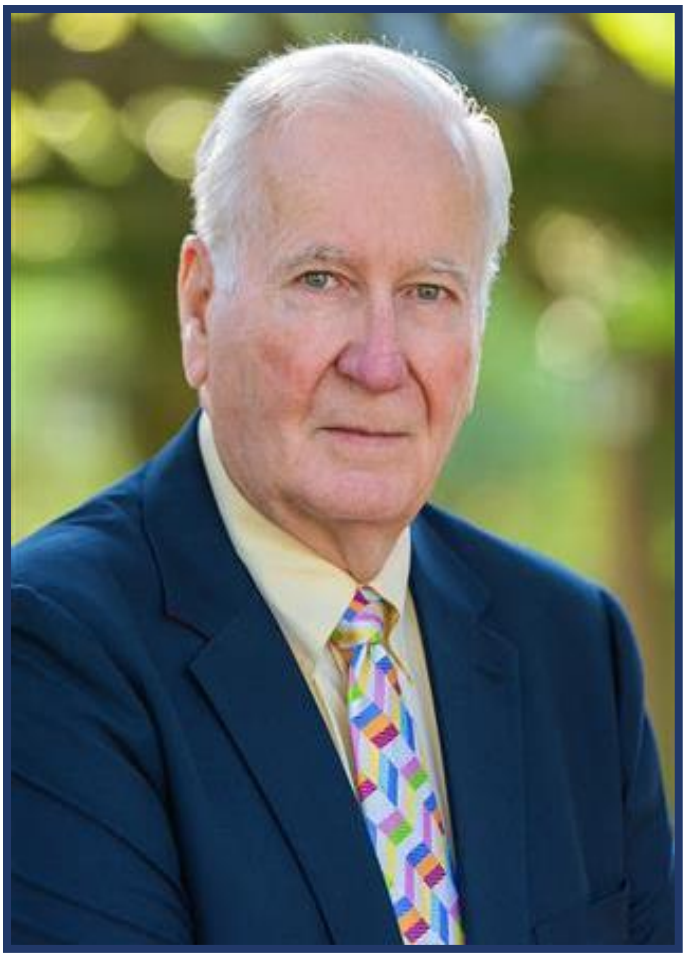
2021-2022 Rotary International President

Shekhar Mehta

“Rotary kindled the spark within me to look beyond myself and embrace humanity.”

District Governor
Jerry Springfield

SERVE TO CHANGE LIVES



2021-2022 District Governor

Jerry Springfield joined the Diboll Rotary Club in 1977 where he served as President of that club twice and served as Chair of the Community Service and Vocational Service committees.

After a job change, he joined the Lufkin Rotary club, where he served on the Board of Directors.

In 2001, he left a regular club to begin teaching at Woodville High School where he organized and sponsored the first Interact Club of Woodville High School thus retaining the Rotary connection.

In April 2010, Jerry joined the Woodville Rotary Club. As a member of that club he has served as president twice, Chair of Administration Committee, Chair of Membership and Secretary four times.

Jerry, a multiple Paul Harris fellow and member of the Paul Harris Society, and his wife, Roschelle, also a Rotarian and multiple Paul Harris fellow, have two children and four grandchildren. They reside in the Pineywoods of East Texas on land that has been in their family over one hundred sixty years.

District Governor Elect

District Governor Elect

Demetress Harrell, Rotary Club of Angelina-Lufkin
dcharrell@hospiceinthepines.org

SERVE TO CHANGE LIVES

Demetress has been employed by Hospice in the Pines since 1993, serving as Chief Executive Officer since 1998. She has been married since 1988 to her best friend, Demetrius R. Harrell, and currently resides in Lufkin, Texas. Demetress is an immense community advocate and has always embraced service. It was her passion to improve the quality of life for all that led her to become a Rotarian in 1998, and she has been a devoted member ever since. She has served as her club as membership chair and President in 2006 and 2015. She has also fulfilled various roles for District 5910 and is currently completing her final year as Assistant Governor of five impressive Clubs. She was honored to be a presenter at the 2018 Rotary International Convention in Toronto, Canada and continues to work on projects with other international peace fellows.

Today it is her exceptional commitment to diversifying membership that has led her from District Membership Chair to her most compelling role as Rotary International Assistant Rotary Coordinator. Demetress is truly grateful to be a member of District 5910 and looks forward to her next journey as District Governor in 2022 - 2023. Demetress is incredibly proud of the impeccable leadership in our District and commends the many mentors as well as our more than 2,200 members. She is a multiple Paul Harris fellow, a recent member of the Paul Harris Society, and a participant in the Rotary Legacy program.

District Governor Nominee

District Governor Nominee

Amy Killgore, Rotary Club of League City
amyk5910dg2324@gmail.com

SERVE TO CHANGE LIVES

Amy was first introduced to Rotary in 1996 while she was a waitress at Esteban's Cafe and Cantina. Each Thursday, she was assigned to a private party of older adults who sang horribly but enjoyed serving the community. In 2009, Amy was a little older and a little wiser and inquired about Rotary and joined this group that met at Esteban's.

In her 12 years with the Rotary Club of League City, Amy has served in many capacities. At her home club as Club President, Foundation Chair, Service Projects Chair, Youth Services Chair, and RYLA Chair. At the District, Amy has enjoyed serving as the EarlyAct Chair, an Assistant Governor, District Trainer, and now District Governor Nominee.

Amy is a proud graduate of the Lone Star Rotary Leadership Institute and is always seeking to learn more about Rotary and ways to serve our community and the world. Amy is a multiple Paul Harris Fellow, Paul Harris Society Member, and a member of the Bequest Society.

Married to her husband Stacy for 13 years, Amy and Stacy have two daughters, Brigid and Caelan, who frequently attend Rotary functions and volunteer at local projects. Amy firmly believes there is a place for everyone in Rotary. She and her family look forward to her journey as District Governor 2023-2024 and doing it all while working and raising a young family.

Immediate Past District Governor

Becky Mason

Becky Mason has been a member of the Rotary Club of Beaumont since her husband Chuck became president in 2000 and convinced her to join the club.

A graduate of Lamar University with a degree in elementary education, her career began by teaching first grade. While she took a break from paid work to raise their children, she was heavily involved in their schools and many community organizations.

When Becky resumed her paid career, she focused on education in a different arena - construction safety and training - for the family business. Mason Construction Ltd., along with other companies working in the petrochemical industry, was experiencing a new emphasis on health and safety. Becky's education background was extremely helpful as she developed an award-winning safety and training program for Mason's employees. She retired from Mason Construction in 2012 as her year as Centennial President of the Beaumont Rotary Club was beginning and grandchildren began arriving in the family.

Becky's commitment to the community has spanned decades. A few of the organizations she has led include Junior League, Young Audiences, Symphony League, Symphony of Southeast Texas Board of Trustees, and the Rotary Club of Beaumont during its centennial year. Building a barrier-free playground as the club's centennial gift to the families of Southeast Texas was a highlight of her year as president.

Becky and Chuck are both graduates of Lamar University in Beaumont and have supported the university through service on the Alumni Board, the Lamar University Foundation, and The School of Fine Arts and Communications. In 2017, Becky and Chuck each individually received the award of Outstanding Alumni. They were the first couple to ever receive this award.

Becky enjoys Rotary at all levels…club, district, zone, and international. She served as Chuck's Chief of Staff during his governor year, assistant governor for three years, and District Trainer for 2018-19. On the Zone level, she produced promotional emails for several Zone Institutes.

Becky and Chuck agree that Rotary has enriched their lives through lasting friendships, the opportunity to collaborate with others to improve our community and our world, and the joy of sharing the spirit of service above self with like-minded people.

In 2017, Becky and Chuck's ongoing support of The Rotary Foundation earned their induction into Rotary's esteemed Arch Klumph Society.

Rotary International Director
Suzi Howe

2020-2022 Rotary International Director, Suzi Howe

Rotary Club of Space Center, Houston, TX, USA

SERVE TO CHANGE LIVES

Suzi Howe dedicated her career to education after graduating from the University of Kansas. She owned and operated South Shore Montessori, a private school, until her retirement in 2019. It was during the construction of that school that she first learned about Rotary, as her broker, architect, and others involved were all Rotarians. Within six months of joining Rotary in 1992, she was already serving on her club's board.

Passionate about sharing her training and educational skills, she has volunteered as training leader and as a member of the Rotary Leadership Training and Development Committee. She has also served RI as regional Rotary Foundation coordinator, host committee advisor for the 2022 Rotary International Convention, and vice chair of the End Polio Now Countdown to History Challenge Committee. In 2005, Howe won the Dome City Award on behalf of all Houston-area Rotarians for her work running logistics for the 650 Rotarian volunteers at the Houston Astrodome who helped 250,000 Hurricane Katrina evacuees from New Orleans over a three-week period.

Howe is also a talented fundraiser, having organized three separate Million Dollar Dinners, the last one alone raising $3.8 million for The Rotary Foundation. "If you make eye contact with me, I will be asking you to make a contribution," she says. Howe is a recipient of the Service Above Self Award, and The Rotary Foundation's Distinguished Service Award and Citation for Meritorious Service. She and her husband, Bill, are Arch Klumph Society and Bequest Society members.

District 5910 conducts a Long Term (school year) Youth Exchange Program and a Short Term Youth Exchange Program for high School age students. All programs are open to all young people of both genders including children and grandchildren of Rotarians. Participants serve as ambassadors of goodwill promoting better understanding among people of different cultures. Costs are paid by participants.

Long Term Program – For high school students of age 15 to 18½ – Length of stay: a school year. Participants live as a member of at least two (usually three) different host families in another country and attend school there. In particular, students go from District 5910 to districts in other countries and students from districts in other countries come to District 5910. In addition to learning a new culture and a new language, participants develop a greater maturity and a deeper understanding of themselves and the world.

Short Term Program – For high school students of age 15 to 18½ – Length of stay: about 3 wks. Usually, matched students of the same gender exchange visits in succession during the same summer break from school, but other arrangements are possible. Living in matched student homes, participants gain a better understanding of a new and different way of life.

The District Youth Exchange Chairman serves as District Youth Exchange Officer arranging exchanges with Rotary districts in other countries of the world, and as leader of the District Youth Exchange Committee. The Chairman also serves as a member of the Board of Directors of South Central Rotary Youth Exchange, Inc., the organization which issues documents for visas for our inbound students and trains Rotary volunteers working in this program. The Chairman is responsible for program compliance with Rotary International and other regulatory agencies.

Rotary
District 5910

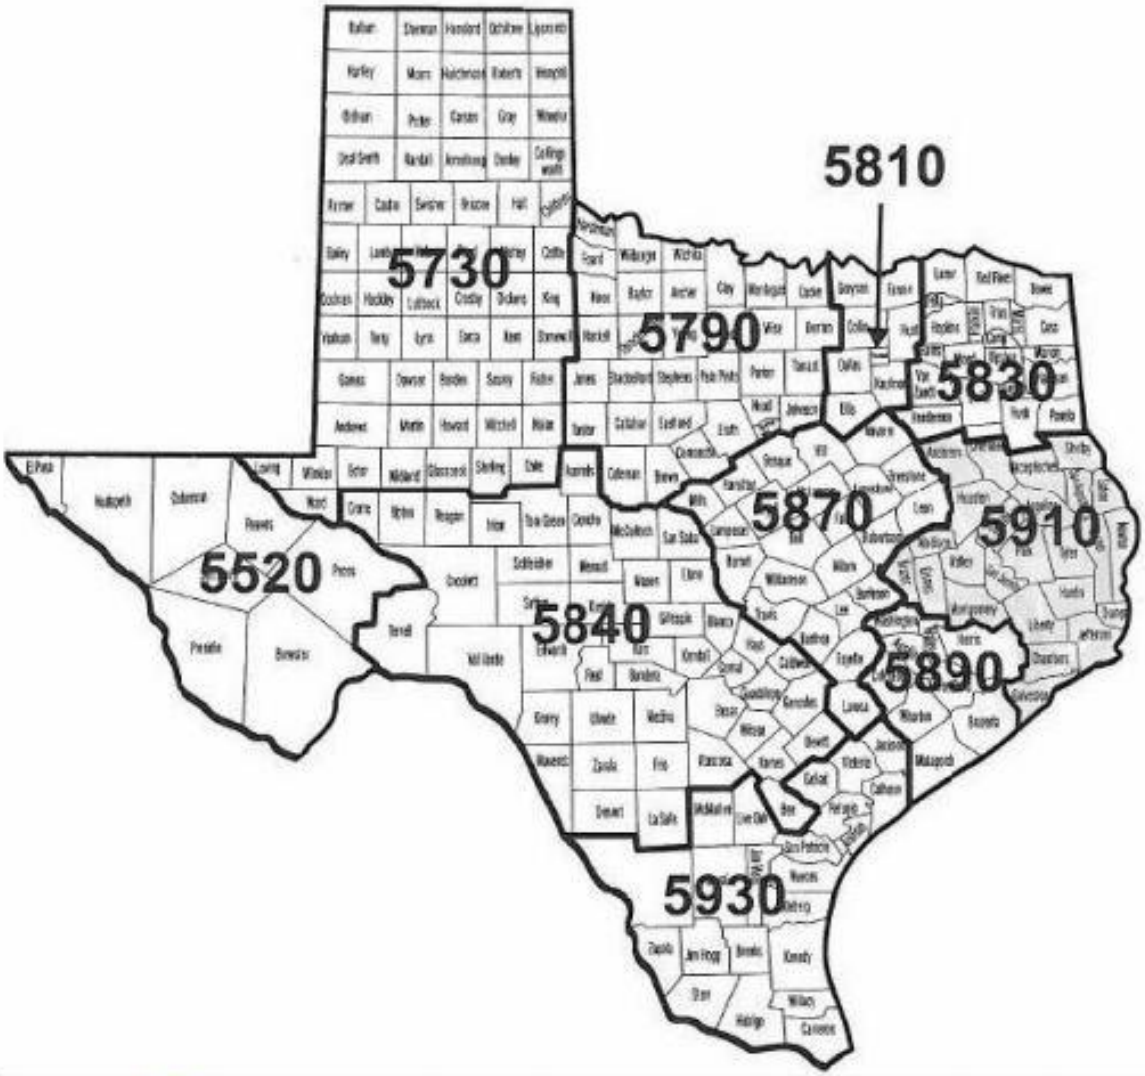
DISTRICT 5910 ROTARY DISTRICTS IN TEXAS



Rotary | DISTRICT 5910 BOUNDARY DESCRIPTION

Extension is vital to the health of our organization. Developing new opportunities to expand membership not only strengthens the association, it also enhances our ability to provide service throughout a broader area of the world.

In the development of an extension strategy for your district, it is important to be aware of the physical boundaries of the district as approved by the board of Directors and a majority of the clubs in the district.
Date of approval: 1 July 1968

District Boundary Description:
USA- TEXAS, that portion south of the northern boundaries of the counties of Shelby, Nacogdoches and Anderson and south of latitude 31°47' in Cherokee County. East of the western boundaries of the counties of Anderson, Houston, Madison, Brazos and Grimes. North of the southern boundaries of Brazos, Grimes and Montgomery, and east of the western boundaries of the counties of Liberty, Chambers and Galveston.

DISTRICT 5910 GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST: The development of acquaintance as an opportunity for service;
- SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four-Way Test

The Four-Way Test is a nonpartisan and nonsectarian ethical guide for Rotarians to use for their personal and professional relationships. The test has been translated into more than 100 languages, and Rotarians recite it at club meetings:

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Avenues of Service

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity.

- Club Service focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- Vocational Service calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in An Introduction to Vocational Service and the Code of Conduct.
- Community Service encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest. Learn more in Communities in Action: A Guide to Effective Projects.
- International Service exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad, and more.
- Youth Service recognizes the importance of empowering youth and young professionals through leadership development programs such as Rotaract, Interact, Rotary Youth Leadership Awards, and Rotary Youth Exchange.

Vision

Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Voting shall be as outlined in Article 8 (8.050) of the Bylaws of RI, and the representative shall be elected at the Annual District Conference of the district two (2) years preceding the Council. Any club may nominate a qualified member of their club who has indicated a willingness to serve. The club shall certify the nomination in writing. ARTICLE VII. ***FINANCES***

Section 1. ***The District Operating Fund.*** There shall be established in the district a fund to be called **"The District Operating Fund"** for the financing of district-sponsored projects and the administration and development of Rotary in the district as provided in Article 15 (15.060.1) of the Bylaws of Rotary International. The financing of The District Operating Fund shall be provided by all the clubs in the district by way of a per capita levy on the members of the clubs.

Section 2. ***The District Reserve Fund.*** There shall be established in the district a fund to be called **"The District Reserve Fund"** for use in unusual or emergency conditions to fund shortages in the Operating Fund. The Reserve Fund shall be maintained at a level of Twenty-five Thousand Dollars ($25,000.00). The transfer of Reserve Funds to Operating Funds may be authorized by a majority vote of the Finance Committee. In the event funds are used from the Reserve Fund, the annual dues paid by the clubs to the district shall be increased by a special one-time levy the following year in an amount sufficient to return the Reserve Fund balance to Twenty-Five Thousand Dollars ($25,000.00). Interest earned on the Reserve Fund shall be transferred to the Operating Fund.

Section 3. ***Dedicated Funds.*** There shall be established in the district funds called **"Dedicated Funds"** to be used for the purpose cited when the funds were raised. Interest earned on the Dedicated Funds shall be transferred to the Operating Fund. Dedicated Funds will be collected and used for the following activities: (a) **District Conference**: Up to fifteen thousand dollars ($15,000.00) shall be budgeted for the purpose of funding the district responsibilities at the District Conference. These funds may be used to pay for costs of meeting facilities, expense of the Rotary International President's Representative and partner and his/her Aide, speakers, advertising, decorations, printing, public address systems, media equipment, accommodations and facilities for the District Governor and partner, District Governor-Elect and partner, District Governor-Nominee and partner and (when needed) the District Conference chairperson and other such expenses required for the district to hold a conference. This District Conference fund should not be used to subsidize meals, housing, tours or other expenses of individual Rotarians except in the instance where the district receives benefits free or at a reduced rate from that which it would ordinarily pay as a result of minimum attendance. In such instance, the fund may be used to the extent of the saving as an incentive for attendance. It is intended that the amount collected each year will be expended for the Conference in the Rotary year collected. Any unspent balance will remain in the fund and accrue as a reserve. The District Conference Dedicated Fund shall be limited to an amount equal to the sum of those funds that accrued for the current year and the previous year. Should the amount of the Dedicated Fund for the District Conference on January 1st of the Rotary year exceed this limitation, then the dues from the clubs for this fund during the following year shall be reduced per Rotarian by the amount resulting from dividing the surplus by the January 1st district membership and rounding to the nearest dollar. (b) Any other dedicated funds shall be identified by name and any unspent balances remaining unspent after a period of two (2) years shall be transferred to the District Reserve Fund.

Section 4. ***District Finance Committee.*** A District Finance Committee shall be established to review and study the expenses for the administration of Rotary in the district. The committee shall be composed of five (5) voting members. Each current District Governor shall appoint one (1) member to the committee to serve a term of three (3) years. The members of the committee shall select one (1) of its members to serve as chairperson of the committee. The District Governor and District Governor-Elect shall also be voting members. The District Treasurer and District Governor-Nominee shall be non-voting members.

Section 5. ***Budget Preparation.*** The District Governor-Elect, with the concurrence of the District Finance Committee, shall prepare a budget of District expenditures and income for the coming Rotary year with a designated per capita levy. This budget shall be submitted to the clubs in the district by faxing, e-mailing or mailing a copy of the budget to each club president-elect at least thirty (30) days prior to the District Assembly or PETS as determined by the District Governor-Elect. The proposed budget shall include adequate funds to ensure the effective operation of the district. The district shall provide budgeted funds for the publishing and distribution of the annual District Directory and printing and distribution of District Governor Newsletters. Directories and newsletters shall be sent to all clubs in the district as well as to Past District Governors, Assistant Governors, current District Governors in our zone and district committeemen as determined by the District Governor. Operating Funds, Reserve Funds, and Dedicated Funds shall be identified separately in the budget with estimated income and expenses for each. All items in the Operating Fund Budget will be identified as "Allowance" or "Estimated Expenses". Budget items for the costs of trips to PETS, Zone meetings, and International Conventions will be allowances. Items intended to offset or supplement the Governor's expenses, for such items as the District Directory and Newsletter, gifts, "seed money" for new programs and similar items will normally be allowances. Budgeted amounts for items that are not allowances shall be considered estimated expenses. Savings in one (1) budget item may be transferred to another budget item with the approval of the Finance Committee. The district is not obligated to reimburse "Estimated Expenses" that are in excess of the budgeted amount. It is intended, however, that the full cost of such items be paid by the district. Should the estimated expense of any budgeted amount appear to be inadequate, the person responsible for the activity should submit a request to the District Governor for additional funding. Should an Allowance for a budgeted trip prove to be less than enough to cover reasonable transportation, housing in the designated hotel, meals and charges for program activities, then a supplemental allowance should be requested from the District Governor for the excess costs. With the recommendation of the District Governor, the Finance Committee may make an adjustment in the budget to the extent of known or reasonably estimated savings. Only one (1) Rotarian, being the committee chairperson or designee,

other than the District Governor, may be authorized to make commitments against a particular budget item.

Section 6. ***Budget Approval.*** The budget and per capita levy on clubs must be approved by three-fourths (3/4ths) of the club presidents-elect present at the District Assembly, PETS or District Conference as announced by the District Governor.

Section 7. ***Dues.*** Payment of the per capita levy approved at the District Assembly is mandatory on all clubs of the district and is due and payable on the next July 1st following the District Assembly in which it was adopted. The levy of each club shall be determined on membership as reported by the club in its last December attendance report preceding the budget year. If a club has failed to pay the levy for more than six (6) months after the July 1st due date, the District Governor shall certify such non-payment to the Board of Directors of Rotary International requesting the suspension of all services of Rotary International to the club while the levy remains unpaid. All district service shall also be suspended during such period of non-payment.

Section 8. ***Depository for Funds.*** District funds shall be held in one (1) or more bank accounts approved by the Finance Committee in the name of the district. The District Treasurer, District Governor, District Governor Elect, and chairperson of the Finance Committee shall be signatories on these accounts. The Treasurer shall maintain district accounts in an institution guaranteed by FDIC. Two signatures are required to sign checks or withdraw funds.

Section 9. ***Financial Records.*** The District Treasurer shall cause to be kept careful, accurate and detailed records of all receipts and expenditures of district funds. A monthly report of receipts and expenditures shall be supplied to the District Governor, District Governor-Elect, District Governor-Nominee, Assistant Governors and members of the Finance Committee. District funds shall only be disbursed in accordance with budget authorization. The finance committee shall have the authority, upon a showing of good cause, to amend the district budget during a budget year, but in no event may expenditures exceed the total expenditures approved by the club presidents-elect at the District Assembly, PETS or District Conference without the approval of three-fourths (3/4ths) of the club presidents-elect voting by written ballot.

Section 10. ***Investing Guidelines.*** The District Finance Committee shall be the Investment Committee for the District Reserve Funds and District Designated Funds. It shall determine the type, length and place of investments and manage the funds. Except for brief periods when funds are being collected or disbursed, all funds shall be kept in interest bearing accounts. Such accounts shall be fully covered by FDIC or be U.S. Government bonds, bills or notes not longer than five (5) years in maturity. At least three (3) quotations shall be received on bank certificates of deposit.

Section 11. ***Financial Reports.*** The accountant person enlisted or employed by the district shall maintain records of all financial conditions and transactions of the district and shall prepare the following monthly reports; (a) balance sheet; (b) income and expense statement reflecting "this month" and "year to date" budgeted amounts and comparison with budget; (c) Accounts receivable (until balance is -0-). All reports shall be transmitted to the District Governor, District Governor-Elect, District Governor-Nominee, Assistant Governors, District Treasurer and each member of the Finance Committee no later than the 15th of the month following the report date. A final year ending Statement and Report of District Finances shall be provided to the District Governor, District Governor-Elect, District Governor–Nominee, and all finance committee members within three months of the completion of the Governor's year in office.

The Annual Statement and Report shall include but not be limited to details of:

(a) all sources of the District funds (RI, The Rotary Foundation, district and club);

(b) all funds received by or on behalf of the district from fundraising activities

(c) grants received from The Rotary Foundation or funds of The Rotary Foundation designated by the district for use;

(d) all financial transactions of district committees;

(e) all financials of the governor by or on behalf of the district;

(f) all expenditures of the district's funds; and

(g) all funds received by the governor from RI.

The Statement and Report will be reviewed by a qualified accountant or by a district audit committee prior to presentation to the District Governor, District Governor-Elect, District Governor-Nominee, and all members of the Finance committee. If a District Audit Committee is selected to review the reports, the members shall be appointed by the person who served as District Governor-Elect for the year being reviewed. If the District Governor-Elect is unable to appoint the members, the members shall be appointed by the person who served as District Governor-Nominee for the year being reviewed. The Audit committee must

(a) be composed by at least three and no more than five members;

(b) have all the members be active Rotarians from the District;

(c) have at least one member who is a past governor or a person with audit experience;

(d) not allow the following to serve on the audit committee for the year in which they served in these positions; governor, treasurer, signatories of district bank accounts, and members of the finance committee.

The annual Statement and Report shall be presented for discussion and adoption at the next district meeting to which all clubs are entitled to send a representative and for which 30 days notice has been given that the Statement and Report of district finances will be presented. If no such district meeting is held, the Statement and Report shall be presented for discussion and adoption at the next district conference.

Section 12. ***Reimbursement of Expenses.*** Upon submission of paid receipts, expenses shall be reimbursed to the person indicated on the budget as the responsible person for the budget item, or payment may be made directly to a vendor when authorized in writing by a person responsible for an item. DISTRICT 5910 AVENUES OF SERVICE CITATION

Recognizing that the strength of the Rotary ideal is founded on the service carried out by club members worldwide, this citation program provides a means for Rotary clubs to personally recognize a member of the club for outstanding efforts in the five Avenues of Service. The citation commends the service carried out by an individual Rotarian in the club, thereby reinforcing the importance which Rotary places on the personal involvement of each club member in Rotary service activities.
