## Stories

### From the Governor

Rotarians and Rotary Friends:

September was another busy travel month for not only Wally and I, but for many of our district leadership. *Rotary on the River*, Rotary Institute 2015 was held in San Antonio September 15-20, 2015. District 5910 was well represented with twenty of our Rotarians and spouses in attendance. Festivities included the official presentation of District Governor-Elect Gig Langston and his wife Lou. (see photos below)

October is *Economic and Community Development Month*. Highlight your Vocational Service Projects. Action photos of your members doing their projects are a great way to let your communities know the difference Rotarians are making not only in your local community but also around the world. Share those *gifts* through your local media, club publications and social media!

We have had great milestones this Rotary year in our polio eradication efforts. **October 24,**

**2015 is World Polio Day.** This is a great opportunity to let your community know how they may help in our efforts to once and for all eradicate polio. Helpful information and other resources are available on the End Polio Now website at [www.endpolio.org](http://www.endpolio.org). What plans does your club have to update your community on our progress?

Hopefully each of you have taken my advice and have set up your "My Rotary" account at [www.Rotary.org](http://www.Rotary.org). I thought I would highlight this month the videos available on the website. If you click on the "News and Media" link from the Rotary homepage you will see many options. To search and view the many professional videos, just click on the "Rotary Video" link. Check it out.

Hope you enjoy the newsletter and have a great October!

## **HEADLINE: DISTRICT NEWS**

### **Call for DGN Nominations**

Rotary District 5910:

This is the official notice that District Governor Doris Lockey has issued a request for all clubs in the district to propose individuals to serve as the District Governor-Nominee-Designate (DGN-D) position, which will determine the governor for our district during the 2018-2019 Rotary Year. As the Immediate Past District Governor, I, Don Taylor will serve as the Chair of the District Governor-Nominee Committee.

The current Governor succession is as follows:

2015-2016 Doris Lockey – Rotary Club of Lake Conroe

2016-2017 Gig Langston – Rotary Club of Angelina (Lufkin)

2017-2018 Rhonda Herrington – Rotary Club of Palestine

2018-2019 to be determined

***The application period for District Governor for the Rotary Year 2018-2019 is now open and will remain so through December 31, 2015.***

### **Candidate Qualifications**

For the purpose of complying with Article 13 (13.020), of the Bylaws of Rotary International in selecting a District Governor-Nominee a district nominating committee procedure shall be used. The qualifications of candidates for District Governor-Nominee shall be as set out in Article 15 (15.070) of the Bylaws of Rotary International. A candidate shall be selected by a nominating committee procedure in accordance with Article 13 (13.010) of the Bylaws of Rotary International.

### **Nominating Committee**

The Nominating Committee shall consist of the immediate Past District Governor, who shall serve as the chairperson of the committee, plus one (1) Rotarian from each area of the district represented by an Assistant Governor. These members shall be active members of a club in the district and shall be well-informed about Rotary and Rotarians in the district. In order to help

insure that they are well informed, they shall have served a full term as a club president prior to their service on the committee. Additionally, they should be active at the district level as evidenced by their attendance at three (3) of the (5) five district conferences immediately preceding their service on the committee.

### **Qualification Interview**

The committee may request that those individuals proposed by clubs to serve as District Governor-Nominee be present at a meeting of the committee to be interviewed concerning their qualifications for the position. Current plans are for the Nominating Committee to interview qualified candidates following the District Mid-Year Meeting in Woodville on **February 6, 2016.**

### **Nominations**

Clubs are encouraged to nominate individuals to serve as District Governor nominee. To nominate a candidate, fill out the attached Governor-nominee Data Form, signed by the candidate and endorsed by the secretary of the candidate's home club. In addition, the candidates, themselves, should submit a 1-2 page summary of their leadership and Rotary experiences, and other reasons why they feel they are a particularly strong candidate for office. A 1-2 page statement may not afford a full listing of the candidate's qualifications, but further opportunity to share such information will be provided during the interview process.

### **Send the Governor-nominee Data Form and 1-2 page leadership bio/statement to:**

DG Doris A. Lockey  
308 Harbor Circle  
Montgomery, Texas 77356

**Submission deadline:** All nomination forms and statements must be postmarked by December 31, 2015.

I would suggest that anyone considering submitting themselves for nomination should seek the counsel of a Past District Governor to discuss the rewards, challenges and responsibilities that are involved with the position. Consideration of such matters will help prepare the candidate for the interview process and, ultimately, for service as District Governor.

Any questions can be referred to me (Don Taylor) at:  
Home: (936) 336-3549 or Cell: (936) 334-2488  
Email: dontaylor44@gmail.com

Thank you for being part of the process that will ensure strong leadership for our district in the years ahead.

[District Literacy Programs Highlighted](#)

## **SPOTLIGHT ON LITERACY PROJECTS OF PALESTINE**

by Birda Gaskin

The Rotary Club of Palestine promotes several literacy projects. Two of their most successful programs are: The Dictionary Project, and the Academic Olympics.

### **DICTIONARY PROJECT**

First Grade students are each given a dictionary. A Rotarian presenter first tells the first graders a little about Rotary...how it is a service club. He then asks the class, what does service mean? Hugh Summers provides the presenter with his home-made whirley birds. The first student to find the word in their dictionary gets a whirley bird. The student who raises their hand first, reads the definition from the book. The club buys encyclopedic dictionaries costing about

\$2.00 each. The Rotarian has questions what make them use every part of the book so they discover all of its different sections. Some years, money was given the teacher to purchase a full set of books as well as one for each student. If only students receive the books, it is up to the teacher as to whether the student leaves it at school or takes it home.

In the front of the book is a label with the club name, four way test, and a place for the child's name. Palestine Rotary normally gives out a dictionary to every first grader in the county which means visiting eight or more schools. Sometimes, this is the first book that the child has been given to be their own.

### **ACADEMIC OLYMPICS**

The Rotary Club of Palestine has been conducting an Academic Olympics for over 20 years.

Students are recruited from 8 to 10 area high schools, as well as academies and home school associations. Students meet at 1:30 pm after the normal Wednesday Rotary meeting at Trinity Valley Jr. College sometime in April. They compete by answering questions about any subject. Five students are on team. There is a Rotarian moderator, score keeper, timer, and helper. Each team competes against all the other schools one at a time and a winner is chosen based on how many wins each team has. Medals are given out, pictures are taken for the newspaper, and the top three teams are recognized. It normally takes 3 to 4 hours.

The Rotarians have fun doing the competition as do the kids. The adults learn how few of the questions they can answer. Training for the adults takes place at a Rotary meeting on the day of or the week before the competition. Usually, the training consists of a competition between Rotarians made up of groups like the

current board of directors versus the committee chairs. Real questions and Rotary questions are used. Some members purposefully try to mess up every which way they can to teach the club how to run the competition and handle problems that might come up during the actual completion.

Col. Mark McClelland (Ret. U. S. Air Force) recently spoke to Liberty Rotarians about the American Legion. The American Legion was founded in 1919 with the first meeting in Paris. Congress chartered the American Legion June 16, 1919. Col. McClelland described, “There are about 2.4 million members with 14,000 posts in the 50 United States and four foreign countries. In Texas, there

are about 68,000 members in approximately 400 posts.”

One of the most popular activities that takes place each year during the Rotary Club of Galveston's annual November Chili Supper is the Children's Books Giveaway.

Each year books are donated to the Rotary Club of Galveston by Half-Price Books Store in Clear Lake. Offering a great variety of books - to interest all age groups of children and youth - continues to be the highlight of this annual event - in addition, of course, to great chili! ( All photos by Robyn Bushong, PR chair.)

Parents and their children look forward to taking home new books each year - free to anyone attending the annual Chili Supper.

**Vidor Club Adopts Books for the World**

Vidor Rotary Club and Vidor ISD recently combined forces to ship an entire eighteen-wheeler full of out of adoption textbooks and other books collected by the Rotarians to schools in South Africa. The Books for the World program sends books to many countries around the world, and is supported by Rotarians across the nation. WalMart generously donated a truck to get the books to LaPorte to the shipping center. Pictured are VIDS Assistant Superintendent Mr. David Croak, VIDS Superintendent of Schools Dr. Jay Killgo, Merrick the driver for WalMart, Vidor Rotary Club President Karen Tipton, and Rotary District 5910 Books for the World coordinator Tim Andrews.

Also heavily involved in preparing the books for shipment are VIDS warehouse employees Cliff English, Bobby Hester, and Travis Ortego.

**Beaumont Club Has Successful "Wine Down With Rotary!"**

The first "**Wine Down with Rotary**" hosted by the Rotary Club of Beaumont was very successful.

Thank you to our friends in other clubs who attended and supported our efforts.

Rotarians and friends enjoyed the taste of six fine wines, appetizer accompaniments, jazz music, and lots of fun and fellowship. All the while, helping to funds for scholarships and other education projects of the Rotary Club of Beaumont.

\* \* \* \* \*

This summer, Rotarians in Beaumont got busy with a project to help Nutrition and

Services for Seniors begin a "Grow To Share" Garden for their clients. They plan to grow fresh vegetables and fruits to deliver to the seniors who do not have the opportunity to go to the grocery to make those purchases themselves.

The project started with constructing a stretch of fencing, and over a matter of months, the ground was leveled and the volunteers built borders for the planter beds.

Though the project was prolonged during weeks and weeks of summer rain, it was nonetheless completed and well done.

#### CLUB NEWS: Cleveland

### **A BUSY MONTH FOR THE ROTARY CLUB OF CLEVELAND**

In September, the Rotary Club of Cleveland inducted Ernest Bailes, local businessman, to our club membership.

On September 2, Cleveland Rotarian Steven Racciato presented a video on his recent trip to

China to visit family. An interesting event that he mentioned was about Coffee Break: cars just stop, driver, passengers get out, open trunk, make coffee, tea, etc. Indeed, think of the chaos it would cause in America's traffic. In China, it appears to be part of the daily routine.

On September 9, AG Jerry Springfield presented a video on the GSE New Zealand – 2015 trip. First, he explained the process in selecting a team leader and team members. Rotarians in New Zealand were all sizes and shapes; one host had purple hair. After 4 or 5 nights with host, you felt like you were leaving family. RELATIONSHIPS ESTABLISHED!

On September 23, David Standlee, District Water Well Committee chairman, presented a program on the water wells in Nicaragua. In his talk to the club, he said, "ROTARY IS ABOUT RELATIONSHIPS! He told the club about global and district grants to promote the Water Wells in Nicaragua program. Water wells are built on public land; approximately 50-75 families can use ONE well, which is hand-pumped, as there is no electricity.

September 30 program speaker was Tim Andrews, District Books for the World chairperson. He said, "One man's trash is another man's treasure." Books that might be destroyed when out of date, in particularly school books, are collected, boxed, shipped and distributed in South Africa. Books for the World is an international project, a literacy project, a service to youth, a green project, and increases public relations.

The Rotary Club of Cleveland is continuing to sell tickets (\$20) (1<sup>st</sup> prize: 4-wheeler) for our scholarship fund and service projects. Drawing will be on November 4. If interested in purchasing a ticket, email [danieljt@yahoo.com](mailto:danieljt@yahoo.com). We are getting ready to interview juniors for our RYLA weekend, making plans for our Don't Meth with Me program in January, and planning for our 32<sup>nd</sup> annual Baseball tournament in early March.
