From the Governor's Desk

Fellow Rotarians:

I waited until after the conclusion of the 2019 Rotary International Convention in Hamburg, Germany to write my last “monthly” newsletter and Jacque has graciously agreed to let me turn it in after the June letter has been published. Hearing the inspired word of wonderful speakers and making new and renewing old friendships from all over the world are just some of the reasons for attending Rotary functions such as this Convention. I would encourage you to consider attending the next International Convention in Honolulu and the next District Conference in Galveston, both in June, 2020.

It was very quick, and, if you weren’t paying attention you would have missed it, but **our District was announced at the International Convention as the District having given the 2nd most to PolioPlus.** Thank all of you for rising to my challenge. However, at the first of this month (which, of course, is the last month of the Rotary year) our giving to the Rotary Foundation Annual Fund is the lowest it has been in 5 years and 9 clubs have contributed nothing! You may remember that I asked you not to “rob Peter to pay Paul” in order to meet the PolioPlus challenge, but now I’m pleading with you to dig deep and make your contribution to the Annual Fund before the end of the month. Smaller contributions this year will result in smaller District Grants in three years.

It has been an exciting, but sometimes frustrating, year for me as your District Governor but I’m glad I decided to serve the District in this manner. I would encourage each of you to look outside yourself and your club to see where your talents can be best utilized to serve humanity. Let’s *Be the Inspiration* and help Betsy *Connect the World*.

Your New Past District Governor,
John
