Stories

From the Governor's Desk

Fellow Rotarians and Friends:

Two months until the end of my term as District Governor; but, who's counting? The consensus of those who attended the District Conference at the beginning of April and the District Assembly at the end was quite positive. The problem remains that almost one-third of our 39 clubs choose not to attend these events no matter how much fun they are or how much helpful information can be gained from them. Your line of Governors (DG, DGE, DGN and DGND) remain ready, willing and able to listen to any suggestions from our members about what would encourage them to take a more active role in our District events.

Thanks to all of you who made me look so good (clean shaven) in meeting my PolioPlus challenge! As of the end of April, we had received over \$387,000 for this fund which, when coupled with the Bill & Melinda Gates match, will equal \$1,161,000 to help in the eradication of Polio. Unfortunately, the killing of immunization workers in Pakistan continues which makes our effort to finish the job that much harder. Please keep in your prayers those workers who put their lives at risk to help others.

While our PolioPlus giving is soaring, our giving to the Rotary Foundation Annual Fund is lagging. We are currently at about half of the amount we've given in each of the last two years and 9 clubs have made no contribution so far this year. I encourage you to send your contributions in now rather than waiting until the end of the Rotary year and, if you've received some undesignated funds and are wondering whether to direct them to PolioPlus or the Annual Fund, please choose the Annual Fund. This will have a significant impact three years from now on the amount of District Designated Funds we'll have for our projects.

Finally, my next post will be from Hamburg Germany where 46 of us plan on enjoying the Rotary International Convention!

Your Governor,
John Hathaway

Message from RI President

Barry Rassin
President, 2018-19
barry.rassin@rotary.org

Dear fellow Rotarians,

This is a sad moment for Rotary, as I must inform you that Sushil Gupta has resigned as president-nominee of Rotary International due to health reasons.

This was a difficult decision for Sushil to make, and I understand and fully respect his choice to prioritize his health. He is firmly committed to continuing his work as a valued and respected member of our organization. Sushil has shared a message announcing his resignation, which you can all read on [My Rotary](#).

The 2018-19 Nominating Committee for President of Rotary International will convene electronically in the coming weeks to select Sushil's replacement. Information about the selection process is also available on [My Rotary](#).

I have no doubt we will pick an excellent candidate to serve as RI President for the 2020-21 Rotary year. Please join me in wishing Sushil a complete and rapid recovery, and thank him for his service and dedication to Rotary.

Sincerely,

Barry Rassin
President, Rotary International 2018-19

2019 District Conference

The 2019 District Conference is history! And a wonderful piece of D5910 history it is! The "3 Peas - **Peace, Polio and Participation** - in a Pod theme" was the focus of the entire conference, with every session and major speaker addressing one aspect of the theme in celebration of the 2018-19 Rotary year.

Congratulations to District Governor John Hathaway and the conference Co-Chairs, Ann Wolford and Julie Martineau, on a well-planned and well-run conference.

District Training Committee

Rotary District 5910 Club officers gathered at New Caney High School for the Training Assembly. The Assembly, fabulously hosted by the East Montgomery Rotary Club, was an opportunity for members of the 39 Rotary Clubs in the District to prepare for the 2019-20 year which begins on July 1. Many thanks to Jim Stubbs and all the Rotarians of the East Montgomery County Club for the great arrangements and hospitality.

The event was organized by 2018-19 District Training Chair, Becky Mason, and included keynote speakers, breakout sessions, and highlighted important dates for the upcoming year.

CLUB NEWS: Beaumont

As summer recess for schools approaches, many elementary school principals will admit that they spend a good bit of time worrying about students going through a "summer slide" and falling behind in reading skills with their peers. Many children, especially from lower-income families and neighborhoods, lack the benefit of having books in their homes and most lack the ability to have transportation to local libraries.

Last summer, the Rotary Club of Beaumont implemented a literacy project at a local elementary school in an impoverished neighborhood and gave each first grade student a backpack with 10 books appropriate to his/her reading level. This year, the same students who are now completing second grade will benefit from the donation of books by the Rotarians who met individually with each child and helped the student choose books appropriate for their reading level.

The principal and teachers will be able to follow testing scores from year-to-year to determine if the data verifies that the project is helping to "Stop the Summer Slide" for the students. Meanwhile, the Beaumont Rotarians are having a great time working toward greater success with the young students through this project.

CLUB NEWS: Cleveland

On Friday, April 5, Cleveland Family Dentistry held their 6th annual Dentistry from the Heart event. Dr. Vic Uhrenholdt, his staff, and other dentists offer free dental work to those who may not have insurance. They provide x-rays, teeth cleaning, and extractions to those that need those processes at no charge. This year Cleveland Family Dentist saw over 80 patients. The Rotary Club of Cleveland provided hot dogs, chips, and water at the event for those waiting to see the dentist.

The Rotary Club of Cleveland will be awarding 10 - \$1000 to seniors from Cleveland and Tarkington High Schools in May. Interviews have been completed at Tarkington and the Cleveland interviews will be on May 1, 2.

CLUB NEWS: East Montgomery County

RCEMC hosted our 10th annual Community Spelling Bee on February 28 at the New Caney ISD Texan Drive Stadium Community Room. We had 36 teams battling to win our spelling bee and take home the coveted bobblehead bee trophies. Pictured are the 2019 winning team members: The Stingerettes from New Caney Middle School with the winning word – ABECEDARIAN. We raised almost \$9500 from the spelling bee and this money is used to fund scholarships that are awarded during our annual Project Connections event in partnership with Lone Star College Kingwood.

Pictured are members of RCEMC at Project Connections, which was held on March 19 at the East Montgomery County Improvement District building. About 125 senior students from Caney Creek, New Caney, Porter and Splendora High Schools attended a college information evening in partnership with Lone Star College Kingwood. Students were able to attend informative sessions and speak with representatives from various departments and programs at the college. RCEMC awarded 32 scholarships in the amount of \$250 each to students in attendance as well as giving away a variety of academic door-prizes to attendees. Funding for the scholarships and door-prizes was raised through the annual Community Spelling Bee.

President Jim Stubbs and Ed Dolphin, master arborist from Bartlett Tree Experts, with the book donated to the library in honor of our speaker. Ed spoke about tree care in preparation of Arbor Day in April.

Past President Milton Austin and Professor Ngozi Eke, nursing instructor at Lone Star College Kingwood, with the book donated in her honor. Professor Eke is from Nigeria and she spoke about her public health work as a nurse battling polio in Nigeria.

CLUB NEWS: Friendswood

We move closer to a world of peace and good will today as Derrick Brown became a Paul Harris Fellow. Derrick's gift to The Rotary Foundation's educational and humanitarian programs is a commitment to peace and to a better life for people across the world whom he may never meet. This is a truly selfless action.

Robert Rinehart was inducted into the Rotary International District 5910 Roll of Fame.

Selection to the Roll of Fame is the highest award conferred by a District of Rotary International to an individual Rotarian for outstanding service in Rotary. Rotarians must have distinguished themselves by service, not only in their clubs and communities, but by serving at the district level as well. Congratulations Robert!

Friendswood Rotarian Charlie Organ was named a multiple Paul Harris Fellow and received a pin from the Foundation in recognition of his contributions supporting the Foundation's goals for service worldwide. Pictured are Dave Barron, Charlie Organ, and Club President Monireh Moghaddam

CLUB NEWS: Huntsville

The Rotary Club of Huntsville and Huntsville Rotary Charities, Inc. held its second annual WineQuest fundraiser on Friday, February 22, 2019, at beautiful Magnolia Lake.

Our 250 guests enjoyed an elegant evening of fine foods from seven local restaurants and caterers, an array of 18 fine wines from around the world, and soft jazz from the Sam Houston State University jazz ensemble. The live auction was assisted by our local queens: Alyssa Allen (Miss Piney Woods 2019) and Caroline Wakefield (Miss Sam Houston 2019).

Several members of the Rotaract Club at SHSU assisted us at the event at the Polio Plus table and cloak room.

To enhance the tasting experience, a chocolatier made eight different handmade chocolates to pair with several of the wines being served. Other wines were paired with cheeses. Guests were given a booklet describing the wines being poured, where they may be purchased, and foods that pair well with them.

The proceeds from WineQuest will be used for programs benefiting Arise2Read, Good Shepherd Mission, Safety Town, and scholarships for local graduating seniors.
