Statement of Participation

Students participating in RYLA 2025 must plan on arriving at the conference site no later than 7 p.m. on Friday, January 10, 2025 and be prepared to stay during the entire program (Jan.10-12, 2025). Students participating in RYLA 2025 should check the local school event schedule before applying (i.e. basketball games, U.I.L. events, etc.) If there is a scheduling conflict, please allow someone else to attend RYLA who can participate. There are no exceptions to this policy.

- Yes, I have read the statement above and agree to select students who do not have a scheduling conflict.

While Clubs often partner with local School Faculty and/or Interact Sponsors to select students to send to RYLA and help get them registered, it is NOT the school's responsibility to get students registered online or to communicate with students about necessary RYLA details. Your Club is fully responsible for all required registration details. It is also your Club's responsibility to provide/coordinate transportation to and from RYLA for the students you select.

- Yes, I have read the statement above and acknowledge that it is our Club's responsibility to register our students and provide transportation to RYLA. This responsibility DOES NOT belong to the student's school or counselors.

The deadline for registering students and alternates online is December 01 2024.

- Yes, I have read the statement above and agree to have our students registered by the stated deadline.
