

District 5910  
 Rotary Youth Leadership Awards  
**RYLA Participant Interview Rating Sheet**

The following represents a sample scoring card that may be used by local Rotary Clubs to evaluate potential RYLA participants. An interview is NOT required by the District RYLA committee, nor do we need to see the individual answers. These questions are provided only as a tool for the local club. The screening process should be highly selective due to a limited number of RYLA camp positions available.
