April 1, 2021

KNOCK, KNOCK, OPPORTUNITIES ARE KNOCKING

District 6000 was recognized in the Rotary Magazine for the second time this year. Inside the April issue, the District 6000 Ride to End Polio event was mentioned on the “Events” page. This event will be raising funds to end polio in the world. Remember, every dollar raised by a Rotary club becomes three dollars thanks to the Bill and Melinda Gates Foundation. A club can plan a bike ride, walk, run, or you can even sit on your sofa and think about riding. Make it fun! Don’t forget the Rotary Club that raises the most money for PolioPlus will have the opportunity to deliver a “Pie-in-my-Face” at the District Conference on April 24.

The District Conference committee is working diligently to present an entertaining and unforgettable evening on April 24. That evening you will hear stories from District 6000 Rotarians, their projects, and a District grant that became a lifesaver. Plan to attend virtually or in person (limited attendance at this time). I hope that you will join us to be part of “Living the Five-Way Test”.

Recently I received a thank you from Paul at GoServ Global. Rotary Clubs and Rotarians from around District 6000 have contributed funds to construct 19 Sukup Safe-T-Homes around the world. These buildings are now being used as birthing clinics, family homes and also in orphanages. Together with GoServ Global and Sukup we can protect and transform families and communities. I am thrilled and excited to share this success with you! Thank you!

Opportunities for additional funds for PolioPlus and Sukup Safe-T-Homes continue. Proceeds from the District Conference virtual registration, and auction items (including a quilt designed and sewn by Deb Ockenfels) will be split between these two efforts. More information is available on the District website.

Thank you for doing what you do for Rotary.

Proud to be a Rotarian,

Steve
