## **KNOCK, KNOCK, OPPORTUNITIES ARE KNOCKING**

Happy Holidays to all Rotarians in District 6000. I hope you have a safe and joyous celebration for this year, 2020. As a Rotarian you embody the true spirit of altruism: giving of your time, treasure, and talents to your community and the world that Rotary serves.

We must remember (Our) The Rotary Foundation gives us the opportunities to improve our communities and touch the world. Our contributions to the Rotary Foundation allow clubs around District 6000 to support numerous Global Grants and fund dynamic/essential requests for District Community Grants. We need to ensure that District 6000 has the capabilities to answer requests in the future. Please add (Our) The Rotary Foundation to your charitable giving.

My project during 2020-21 continues to be the Sukup Safe T Home. My goal is to fund 25 life-changing homes for worthy families. These homes are earthquake resistant and can withstand 145 mph winds, lasting for generations. GoServ Global distributes these around the world. With your help, 500 families will have new homes in Haiti, Kenya, Peru, and Uganda. Checks can be made out to District 6000 HEF with the memo line marked "Sukup Safe T Home" and mailed to me.

With the pandemic the District Conference is being scaled back to one site, Ankeny Marriott Courtyard. A hybrid event is planned for April 24. Watch for registration information on the District website. Planning this event has been a challenge, but I am looking forward to "gathering" with you in April. If you'd like to help with preparations, please contact me.

During the holidays it is easier to give while we are surrounded by celebrations and good cheer. Please remember that when 2021 begins, your contributions will continue to strengthen efforts in all of Rotary's Areas of Focus. Even though the weather is "frightful", your financial support will bring "warmth" to many.

Proud to be a Rotarian,

*Steve*
