

November is Foundation month designated by RI. "When you give to The Rotary Foundation, you fuel our service projects - projects that eradicate polio, promote peace, and improve developing communities". Thank you for all your generous donations to the Foundation. It is serving the many, many needs in our local and global communities.

Another great news that I am eager to share with you all as we have just received it. As 'Prevention of Human Trafficking is one of my main initiatives for this Rotary year I am proud to announce We are the first District to have signed and submitted to the council of resolutions for "The Prevention of Human Trafficking". The COR has adopted the resolution. Thank you to all the clubs that voted to pass this very important resolution. Thank you to our members, Clubs and a special thank you to Dr. George Belitsos, and our COL representative Susan Herrick for taking the resolution forward and making it come to fruition. Thank you to everyone involved. We could not have a better platform than Rotary with 1.2 million members and more to fight Human Trafficking from our world.

As I am continuing to visit clubs and participate in 'Rotary Days of Service' and events and fundraisers ' I am truly very proud and amazed with all the great projects and fundraisers that are being done. You are making a difference, bringing smiles on people's faces with so much of blessings and thanks. I cannot thank you all enough for all you are doing. Making sure our food pantries are full, distribution of books to children, libraries, Hospitals, Solar panels are being installed, playground equipment, exercise equipment next to Assisted Living, Ice skating grounds for children to play, water projects in Tanzania, planting of trees, promoting Peace like having programs like 'Braver Angels', having fundraisers, silent and live auctions for raising money for eradicating Polio, giving out scholarships, building shelters, Operation Warm Coats, shoe projects, making dresses for orphaned children in Haiti, so many, many more... Thank you so much for all your 'Service Above Self' for serving our communities around the world.

A very warm welcome to all our wonderful new members who have joined Rotary. You are all a very valued and loved member in our Rotary District 6000. Thank you all for your commitment, dedication, talent, passion and service that you bring to the table and make a difference for our world and make it a better place for all.

The month of November brings forth to light how we can be very grateful to life itself and make it very meaningful through our work and our actions. Once again, I would like to thank our Veterans, our First Responders, our Servicemen and their families for all their great service to the Nation going above and beyond the call of duty. We thank you for all that you continue to do each day, every day!

On behalf of Rotary District 6000, I would like to wish you all a joyous and HAPPY THANKSGIVING Holiday with family and friends. I would also like to on behalf of Rotary District 6000 wish one very special Rotarian known to all of us a very Happy Birthday to dear Carolyn Scharff. Thank you for all that you do for us in Rotary District 6000. You have always been there for all of us and keep us all connected. We believe if we don't have the answer to a question, we know one person who does or will be able to point us in the right direction.

As we celebrate Thanksgiving with our families and friends, let us keep all the families in our thoughts and prayers especially who are less fortunate and those that have lost their loved ones during these challenging times. Let us continue our service of 'WE HELP SERVE TO CHANGE LIVES'!

Please join us for our Holiday Social on 11th of December 2021! Reservations are due on Dec. 1st.
