

Rotary International and The Rotary Foundation's Awards to District 6000 recipients

Significant award nominations selected by the District Governor are considered annually by Rotary International Directors and Trustees of the Rotary Foundation. It is a tribute to District 6000 that so many of its members have been chosen to receive RI and TRF's highest honors. Virtually all award nominations are restricted to no more than one per district with over 530 districts in the world potentially submitting candidates.

These awards have been historically presented at District Conferences. However, during the year 2019-20 (because of COVID-19 virus restrictions) the awards were presented at the honorees' club meetings virtually and as is always the case, every effort was made to ensure that they were a total surprise to the recipients.
