

STUDENT PROTECTION

Circumstances impacting an exchange student's health, safety and/or well being must be reported immediately to the District Student Protection Officer or their Alternate, as listed under Rotary Youth Exchange Leadership.

Included in their list of responsibilities is notifying the US Department of State. However, if direct contact by the reporting party is deemed necessary, the US Department of State has also established a toll free number (1-866-283-9090) and an email address (jvisas@state.gov) for that purpose.
