World Affairs Seminar

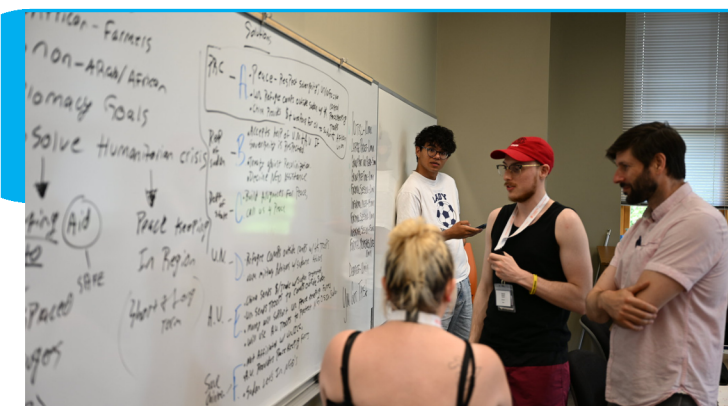

Peace Through Understanding

Best. Week. Ever.

June 20 - 26, 2026

The WAS Mission

Since 1977, the World Affairs Seminar (WAS) has ignited the spark of global citizenship in thousands of students from across the world.

Each year, this immersive academic summer camp welcomes students into a weeklong journey of discovery and diplomacy skillbuilding.

This is much more than a camp – it is a launchpad for actionable change in delegates' communities.

Get Involved with WAS

- Sponsorship:** Send one or more student delegates from your community.
- Join a Committee:** Help shape the WAS program, build resources, and support our mission for years to come!
- Make a Donation:** Establish a scholarship or donate to support our mission.
- Become a Volunteer:** Join us during the seminar week to help manage logistics, welcome delegates, and enjoy the fun!
- Spread the Word:** Tell your friends, family, and community members. Engage with local school districts and get more young people involved!

How WAS Works

Guided by our mantra – *“Peace Through Understanding”* – delegates explore global challenges and create solutions they can use in the real world.

The 2026 theme, *Uniting for Peace*, will bring bold keynote speeches, thoughtful simulations, and collaborative projects amongst delegates. All our moments are charged with purpose and passion.

Delegate Testimonial: Mark G.

★★★★★

“WAS allowed me to not only understand what peace looked like, but also what it felt like. I left more educated on peace and how to build it at home.”
