

# Revolutionize your club's communications with ClubRunner™

Going far beyond a website or database solution, ClubRunner is a complete service designed to help you run your club more efficiently and effectively with software tools that improve your organization, public relations and collaboration.

## Better Organization

Keep better track of your membership database, documents, reports, and club history by centralizing all your club information in one portal for all to access.

## Better Exposure

Boost your public relations and club image with our fully customizable, easy to use branded website and newsletter.

## Better Collaboration

Improve the way you work together as a club with our committee module, email center, events registrations, and document sharing features.

## Better Communication

Easily broadcast important announcements and newsletters to your members and beyond. Keep track of all club correspondence and centralize group lists for all to share.

## Better Membership

Enhance your members' experience by making their lives easier when it comes to accessing information. Online directories, mobile apps, and ease of use will ensure club involvement.

## Better Insight

Get to know your club better with insightful reports and dashboards that help you see the big picture. Membership trends, demographics and attendance reports give you the information you need to make improvements.

ClubRunner is proud to be the first software provider to be granted Official Rotary International Licensee status. We work closely with RI to improve public relations and streamline administration for Rotary clubs worldwide.

"By partnering with ClubRunner, we're hopeful that we've reduced the burden on hard working Rotarians and allow club and district leaders to focus their energy where it really belongs: on strategic priorities such as strengthening membership and increasing their service impact."

*Peter Markos, Chief Information Officer,  
Rotary International*

In use for almost 10 years by thousands of Rotary clubs and districts, ClubRunner was built by Rotarians for Rotarians and is the leading software for managing your club.

ClubRunner is a fully-hosted software platform that gives your members the tools they need to keep your club running smoothly and successfully.

### Member Directory

Maintain an up-to-date member directory with photos in a secure member area of your site. Each member can update their own profile or download printable directories in Excel, Word or PDF.

### Attendance Manager

Keep track of meeting attendance. Report makeups, exemptions and leaves and generate month end reports. Easily report your attendance to your District.

### Online Payment & eCommerce

Integrated with the Dues & Billing module and MyEventRunner, collect credit card payments online. Process online donations, member dues, and event registrations, to deposit directly into your bank account.

### Email Message Center

Send broadcast emails to centralized groups using our secure email server. Mail merge fields, templates and custom signatures ensure that your correspondence always looks professional.

### Website Manager

Publish a professional custom site or integrate ClubRunner's tools into your existing site. Add stories, links, photos, videos and documents quickly and easily. Integrated with ClubRunner's free mobile app.

### Photo Albums

Upload and share photos with your club, community and the whole world! Viewable online in multiple albums with slideshows. Automatic resizing keeps your site fast.

### Grants Module

Apply for, track and maintain your district grants. Record budgets and expenses, and file all documents securely online with a full audit trail.

### Rotary International Database Integration

Sync your member data, club and officer changes with RI's database. Compare your member directory between ClubRunner and RI to keep your data accurate.

### Dues & Billing

Create invoices for your members and print or email personalized bills and statements. Track payments, debits, credits, and account balances with built-in reports.

### Custom Reports & Directories

View and download various reports to gain insight into your club. Charts and graphs show you years of service, rule of 85, age and gender distribution, birthdays and anniversaries, and committee involvement.

### Branded Newsletter

Create your own professional club bulletin, customized with reminders and announcements, and email to all members and prospective members with one click.

### Event Calendar & Planner

Plan and promote your events with email invitations, online registrations, and volunteer sign-ups. Print name tags, send follow-up emails and create forms to sell tickets or collect registrations from the public, including credit card payments.

### Committees Management

Organize and manage all your club committees in one place. Post documents for download, create subcommittees and allow committee members to send targeted emails to one another.

### Volunteer & Task Management

Create online sign-up sheets to easily allow members and non-members to register for various tasks or responsibilities. Send reminders, run reports and keep track of who's doing what.
