

## About the 4-Way Test Speech Contest

Every year the Rotary Clubs of District 6040 hold this contest for area students to compete for cash prizes. From the earliest days of the organization, Rotarians were concerned with promoting high ethical standards in their professional lives. One of the world's most widely printed and quoted statements of business ethics is the 4-Way Test, which was created in 1932 by Rotarian Herbert J. Taylor, when he was asked to take charge of a company that was facing bankruptcy.

This 24-word test for employees to follow in their business and professional lives became the guide for sales, production, advertising, and all relations with dealers and customers, and the survival of the company is credited to this simple philosophy. Adopted by Rotary in 1943, the 4-Way Test has been translated into more than a hundred languages and published in thousands of ways. The premise is to ask the following four questions of the things we think, say, and do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

## Eligibility

Any high school student enrolled in grades 9 through 12 in a public or private school, home school, or exchange program may participate in the contest. Former winners may compete again, if otherwise eligible.
