

Request for District Governor Visit

2026-27 Rotary Year

RI President Yinka has encouraged clubs and districts to build connections and try new approaches. Taking this message to heart, District Governor Julie Schumaker will be holding regional Multi-Club Mixers in lieu of traditional club visits during the 2026-27 year. This is an opportunity for 3-5 clubs in a region to come together for a networking event. Look for a Multi-Club Mixer to be scheduled for your club this fall.

Since the mixers are replacing the traditional District Governor visit, DG Julie is happy to accept requests to participate in a club service project, fundraiser, or special event. Please complete this Request Form and send it to Julie Schumaker at Schmakerjulie@gmail.com
