Note: This Rotary year, due to the limited funds available for our district local and international grants, each qualified club may only apply for one district local <u>or</u> one district international grant. Participating as a cooperating donor to another club's grant will not use up your club's allotment of "one local or one international grant per club." Please read complete detailed grant guidelines and policies on the individual district local and individual district international grant applications. All policies, guidelines, stewardship report, and the Grant Management Seminar are on the District Web Site.
