I, \_\_\_\_\_, President of the Rotary Club

of \_\_\_\_\_,  
certify that I have read and that my Club will be compliant with district 6290 Youth Protection Policy. All my Club's youth volunteers will be vetted as directed by the District's Youth Protection Policy and Youth Protection Committee. I know that the Committee is available for support and assistance as needed. The youth protection policy is posted on the D6290's website and all Rotarians who work with youth on a Rotary-sponsored activity should follow the guidelines outlined.
